Hello Families,

Thank you for registering for the 7th/8th Grade Girls Basketball program. At this time, we unfortunately do not have enough players to form a stand-alone league—only 7 girls have registered in total.

To ensure everyone still has an opportunity to participate, we'd like to offer two options:

1. Your daughter can be placed on a team in the 5th/6th grade league. Teams will be selected by the coaches, and players may be placed on different teams.
2. You may choose to receive a refund of the registration fee.

Please reply directly to this email with your preferred option so we can finalize plans.

We appreciate your understanding and support, and we look forward to hearing from you soon.

Best regards,
Ken Tyburczy
