Mayor,

10am works for me. In the meantime, I am attaching a copy of my notes that summarizes each section of the bill that is up to date to include the Sen Budget and Appropriations Committee amendments. I am also attaching a detail position piece on subcommittees. I am working for one on the other issues.

In the meantime, please call or email me if you have any questions or would like additional information.

Mike/Lori,

I got the attached through my clerk who is the VP for the Clerk's Association. Not sure if you saw this.

I suggest we meet at your office before the 11:00 am meeting on Thursday to discuss a strategy. How about I be there at 10:00 am? We can walk over together if that works for you.

Thanks

> Good afternoon Kevin,

My Mayor, Gary Passanante, is meeting with Senator Weinberg this week regarding OPRA and OPMA. There is a committee of mayors that is being put together to discuss the many impacts that the proposed bill has for not only the clerks, but the municipalities, as a whole. Do you have the information that was gathered from the request below, and is it possible to forward it to me? He would like to have this as part of the discussion of the impact.

Thank you and feel free to reach out to me with any questions.
Michele
