Good afternoon, Peter,

I hope this email finds you well. Attached, please find records responsive to your recent OPRA request, which is also attached for reference.

You will note that several redactions have been made to the responsive records. Ms. Rivera's social security number and phone number have been redacted pursuant to N.J.S.A. 47:1A-1.1 (exempting from the definition of government records "that portion of any document which discloses the social security number, credit card number, unlisted telephone number or driver license number of any person") and 47:1A-1.5 ("Prior to allowing access to any government record, the custodian thereof shall redact from that record any information which discloses the social security number, credit card number, unlisted telephone number, or driver license number of any person"). Additionally, Ms. Rivera's street address, date of birth and the name and contact information for the individual identified as her personal contact have been redacted pursuant to N.J.S.A. 47:1A-1 ("a public agency has a responsibility and an obligation to safeguard from public access a citizen's personal information with which it has been entrusted when disclosure thereof would violate the citizen's reasonable expectation of privacy").

Please be advised that, if you feel that this response has not been appropriate, you have the right to pursue a claim within 45 days with the Government Records Council or by filing suit in the Superior Court. If you have questions regarding this response, please feel free to contact me and it will be my pleasure to assist you.

Kind regards,
Melissa
