gentleman XXXXX is in the lobby would like an escort to his home to retrieve his belonging from his home

When I arrived at 30, XXXX began yelling, cursing, and screaming at me. He stated that I could go fuck myself and that I was breaking up his family and that it my fault he couldn't go home for 50 days or speak to his wife. I advised XXX that I didn't know what he was talking about and that he needed to come down. XXX continued with his demeanor, began walking away, and stated that I better fucking meet him at his house. I did not see him again.
