To Whom It May Concern :

It has been noticed during a routine site inspection of your area that you have loose piles of yard waste for apparent trash removal. You may not be aware that the trash collection agency will not remove such items.

Therefore you must remove these items from the curb and either make arrangements to dispose of this waste privately or take it to the DPW yard on Saturdays. This must be done no later than ten (10) days from this notice.

For more details you can contact the Department of Public Works at 732-446-8403 should you have any further questions or concerns please feel free to contact me. Your anticipated cooperation is appreciated.

Thank you,

Suzanne M. Krohn
Asst. Zoning/Code Enforcement Officer
