A MESSAGE FROM THE LEAGUE PRESIDENT

The New Jersey State League of Municipalities is a voluntary association created to support and enhances municipal governance by pooling information resources and facilitating sharing of ideas. The League also enables towns to come together in a united voice to advocate on needs and positions. It is authorized by state statute and for the past 101 years has been serving local officials throughout the Garden State. All 565 municipalities are members of the League. The elected and appointed officials of member municipalities who receive all the services and privileges of the League number 13,000.

In addition to this Directory of all 565 New Jersey municipalities, the League publishes *New Jersey Municipalities*, numerous booklets, surveys, handbooks, and other reference materials. A selected listing of League publications is found near the end of this Directory. The League also provides many other services to its members, such as the Bureau of Municipal Information, legal consultation, training seminars, an annual conference, legislative analysis, lobbying, and our informative website NJSLOM.org.

This Directory lists municipalities in alphabetical order from top to bottom. It includes their county, phone and fax numbers, addresses, 2010 Census Bureau Population, Mayors, and the names of key appointed officials, along with the Municipal Clerk email address. New this year is the telephone number for the Attorney, Director of Law, Corporation Counsel or Municipal Solicitor. The following abbreviations are used:

M - Mayor	Legal - Attorney, Director of Law,
C - Municipal Clerk	Corporation Counsel or
	Mun. Solicitor
Mgr - Municipal Manager	Adm - Business Administrator

This Directory also includes a list of League Officers, Executive Staff, and Executive Board on page 4 and a list of Affiliated Municipal Associations starting on page 7.

I hope you find the 2017 Municipal Directory helpful throughout the year. Please call the League staff in Trenton if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Albert B. Kelly". The signature is written in dark ink and is positioned below the word "Sincerely,".

NJLM EDUCATIONAL FOUNDATION, INC

Mayor Tim McDonough, Hope Township, was elected in 2016 as president along with Mayor Paul Anzano, Hopewell (Mercer), as vice president. The Foundation is now poised to resume its tradition of contribution to timely research and a proactive approach to resolving the complex issues affecting New Jersey's diverse communities.

In 2016 the Foundation published on its website the white papers "2016: The Changing Face of Cybersecurity & What it Means for Municipalities" by Morris A. Enyeart, Ed.D. and "Lift Off to Tail Off: More Economic Uncertainty" by James Hughes, Distinguished Professor and Dean, Edward J. Bloustein School of Planning and Public Policy, Rutgers, the State University of New Jersey.

To capitalize on years of experience piloting the Mayor's Book Club, the Foundation contracted with Dr. Vicki Cohen at Fairleigh Dickinson University to distill the experience into a printed manual so others can produce Mayor's Book Clubs. That manual, "Planning and Participating in a Mayor's Book Club" is available for download from the Foundations web page njlmef.org

In 2016 the Foundation continued the administration of the Michael A. Pane Memorial Fund. The Fund awards an honorarium to a local government professional (attorney, engineer, or planner) who personifies outstanding ability, integrity, and ethics in his or her dealings with local governments.

The Educational Foundation continues administering grants in support of Sustainable Jersey. More than \$1 million in grants has been administered from such funders as Wal-Mart Corp, BPU, and the others.
