RE: Roadway Improvements Bull Run Road
Contract B20-06
Hopewell Township, Mercer County, New Jersey
VCEA File No. 7376

On May 12, 2020 the Township received eight (8) bids for the above referenced project. The following bids were received:

1. Capital Paving & Contracting, LLC Lebanon, NJ	\$244,612.10
2. Earle Asphalt Company Farmingdale, NJ	\$246,713.13
3. Richard T. Barrett Paving Trenton, NJ	\$249,887.40
4. Top Line Construction Somerville, NJ	\$253,859.06
5. DeSantis Construction, Inc. Somerset, NJ	\$293,044.75
6. S & G Paving Jamesburg, NJ	\$315,576.30
7. Black Rock Enterprises, LLC Old Bridge, NJ	\$331,284.00
8. American Asphalt Company, Inc.	\$331,710.44

I have reviewed the bid submitted by Capital Paving & Contracting, LLC and find the same to be responsive. Capital Paving & Contracting has not done any work in Hopewell Township previously and has been in business for approximately one year. I have tried contacting Caroline Klein (610-868-4201) of Maser Consulting since she was the engineer referenced by Capital Paving and Contracting, LLC for the Bellis Road Phase II, Roadway Improvements (\$187,575.50) in the Township of Holland. I have also tried contacting Maureen Sturgeon (732-873-2500 X6385) of Franklin Township since she was referenced for the Cottontail Lane Resurfacing project (\$526,850.21). Unfortunately, because of the Corona Virus, neither person has returned my calls. I have reviewed Capital Paving & Contracting, LLC equipment list, their list of projects

that were completed, list of projects to be completed and it appears the Roadway Improvements to Bull Run Road project are very similar in nature. I therefore take no exception to awarding contract B20-06 to Capital Paving & Contracting, LLC in the amount of \$244,612.10 upon certification by the CFO that funds are available.

I am attaching a bid summary. Should you have any questions please feel free to contact me.
