**Re : 2020 Road Resurfacing
Award of Bid**

Date : May 15, 2020

On May 14, 2020 sealed bids were opened with regard to the "2020 Road Resurfacing Program". Attached is a tabulation of the three lowest bids.

The project involves the milling and resurfacing of the following six road segments:

- | | |
|---------------------|------------------|
| 1. Kennedy Drive | Entire Length |
| 2. Henning Drive | #29 to Bodkin Rd |
| 3. Bryn Mawr Way | Entire Length |
| 4. Old Country Road | Entire Length |
| 5. Hickory Terrace | Entire Length |
| 6. Briarwood Drive | Entire Length |

This project includes the resurfacing and expanding of the asphalt trail in Hollywood Park, as well as the replacement of 135 feet of 30" drainage pipe in an easement off Club Road.

The low bid of \$266, 660.00 was received from DLS Contracting of Fairfield, NJ . I researched DLS Contracting's references and history and believe they are qualified to complete the project. They have successfully completed road projects for the Township, most recently 2019 Township Roadway Resurfacing Program.

I would recommend that a \$266,660.00 contract be awarded to DLS Contracting. The 2020 Capital Budget appropriation can fund this project.

The award should be subject to compliance with the Township Attorney's review email dated May 15, 2020. The Township Attorney should also review the contract and Performance Bond.
