

Flemington Environmental Commission Special Meeting
6/28/23

In attendance: Melissa Swingle, Trent Levitt, Freddy Mejia

Meeting start 7:30PM

Review of Planning Board Application at 13 Brown Street and 53 East Main Street

The Commission reviewed the proposed letter to the Planning Board with the EC's recommendations that all paperwork concerning stormwater management at 13 Brown Street should be filed before the project is reviewed and approved. No comments were made regarding the 53 East Main Street project.

All present members unanimously voted to approve the letter and send the Commission's recommendations to the Planning Board.

Meeting adjourned 7:46PM
