Tree Ordinance

Mayor Karrow provided an update on the draft tree ordinance. She sent a draft of the ordinance to Mike Deluca on Shade Tree and Jeff Doshna on Planning board.

Mayor Karrow said Mr. Deluca spoke positively about the ordinance and recommended Borough Council adopt the ordinance.

Mayor Karrow left the meeting at 7:15pm and did not return.

Central Station LLC Site Plan Review

Mr. Runion noted the lack of an environmental impact statement. It was noted that an Environmental Assessment was provided but it's unclear if that is the same as an Environmental Impact Statement.

Mr. Runion noted that the site was formerly a coal storage facility and asked whether it was properly tested to ensure it was not longer contaminated. Mr Mejia recommended the applicant submit soil testing.

The Commission voted to send recommendations, all were in favor.
