RE: Open Public Records Act (OPRA) Request – received January 2, 2024 – 2024-00005

To whom it may concern:

In response to the above mentioned OPRA request I offer the following response in **red**:

“Under OPRA and the common law right of access, please provide a copy of the 2024 meeting schedule for the governing body, and for each board, commission, committee, or other municipal agency that holds public meetings, including but not limited to planning board, zoning board of adjustment, redevelopment agency, housing authority, utilities authority, parking authority, traffic commission, rent control/leveling board, environmental commission, shade tree commission, and open space committee.

If the schedules are unclear about the location/method(s) of meeting, I kindly ask that you clarify for me how to join and participate, and feel free to share links that can help members of the public to join and/or watch the meetings, or to watch them after they conclude.

If a particular schedule is not yet available at this time, please send what you can as soon as possible, and provide the outstanding schedule when it becomes available..”

Clerk – 2024 Meeting Schedule attached; also, please note this meeting scheduled has been advertised in the December 29th editions of the Home News & Tribune as well as the Cranbury Press. All meeting schedules can also be found on our township website at www.monroetwp.com

Sincerely,

Tanya Pannucci
