Re: OPRA Request # 2324-06 - Attachment

Dear Mr. Charlie Kratovil,

In response to OPRA Request #2324-06:

The record requested does not exist. We do not video record our board of education meetings.

Our agenda is available for viewing on our website. The completed minutes from that meeting are not yet available at this time.

Sincerely,

A handwritten signature in black ink that reads "David P. Weidele".

David P. Weidele
