-
- 315 Maxim Drive
-
- Hopatcong, NJ 07843

Applicant's Phone Number [REDACTED]

PART B – Professional Engineer's Certification

I certify under penalty of law that the subsurface disposal system identified in Part A, to the best of my knowledge has been located, constructed and installed or altered in compliance with the requirements of N.J.A.C. 7:9A-1 and the Application to Construct/Alter/Repair an Individual Subsurface Sewage Disposal System which was approved by the administration authority. This certification is based upon physical inspections of the installation made by the Chester Township Health Dept. and the following inspections by this firm: water tightness of septic tank, disposal field excavation, compaction and textural analysis of filter material, permeability of filter material. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment.

A handwritten signature in black ink, appearing to read "Gregory E. Yannaccone", written over a horizontal line.
