RE: Well Application W3085-83
Block 633 Lot 19
Pemberton Township

Gentlemen:

Your application for the installation of a proposed individual water system has been received and processed by this Department.

Installation inspection of the well has been completed, however, final certification of the well will not be given until this Department has received the analytical results for bacteriological, physical and chemical quality of the raw water from a Certified Laboratory. Said analysis shall be identified by the Block and Lot Number, County Application Number and signed by the responsible laboratory official, and certified that the laboratory has drawn the raw sample.

Should you have any questions regarding this matter, please do not hesitate to contact the undersigned.

Sincerely,

Fred Lawson
Senior Sanitary Inspector

**In addition, an internal inspection must be conducted

USE OF WELL: *Please Specify*

Domestic - New, Replacement, Deepening
 Industrial - Cooling, Potable
 Injection - Heat Pump, Cooling
 Public Supply
 Public Non-Community

Application must be accompanied by a legal fee of ten dollars (\$10.00) for wells under 70 gallons per minute and twenty-five dollars (\$25.00) for over 70 gallons per minute.

Make Checks Payable to: STATE OF NEW JERSEY - WELL PERMITS

In accepting this permit the Owner and Driller agree to abide by the following terms and conditions:

1. This permit conveys no rights, either expressed or implied, to divert water.
2. If the pump capacity applied for is less than 70 gpm, no subsequent increase to 70 gpm or more shall be made without prior approval of the Division of Water Resources.
3. In the event this well is abandoned, the Owner will assume full responsibility for filling and sealing it in a manner satisfactory to the Division, in accordance with provisions of R.S. 58:4A-4.1.
4. This permit will be valid for one year from date of approval.
5. If this well is to be used for public non-community or non-public supply, it must be constructed in accordance with provisions of "Standards for the Construction of Public Non-Community and Non-Public Water Systems" and be approved by the local Board of Health.
6. A well record must be filed with the Water Allocation Office within 60 days after the well is completed.
