08901

File Number: 20-592-R

Approve Grant To The Rutgers Cancer Institute Of New Jersey In The Amount Of  
\$25,000,000

WHEREAS, the Rutgers Cancer Institute of New Jersey in partnership with Robert Wood Johnson/Barnabas Health, the City of New Brunswick and the New Brunswick Development Corporation (DEVCO) have embarked on an initiative to develop a new comprehensive cancer center pavilion in the City of New Brunswick; and

WHEREAS, the new cancer center pavilion will allow for the consolidation of key cancer services into a single location including laboratory services, outpatient clinic, infusion/chemotherapy suite, radiation, oncology, imaging and interventional radiation; and

WHEREAS, this new pavilion will represent New Jersey's only oncology inpatient hospital and will provide greater opportunities to serve patients while improving the overall patient experience; and

WHEREAS, the development of this new cancer center will provide the potential to create enhanced instructive platforms and new educational opportunities including direct hands-on instruction and educational programming in a real-world environment which will include development of state-of-the-art technology platforms together with laboratory space and equipment. These new educational opportunities will include internships in various disciplines and direct training for Middlesex County residents through collaborative programs created with County educational institutions such as Middlesex County College and the Middlesex County Vocational and Technical Schools; and

WHEREAS, such collaboration by the cancer center with Middlesex County educational institutions will create new job opportunities and career paths by providing County residents unique access to the latest health innovations, educational curricula and content along with access to state-of-the-art laboratories and equipment from a world class oncology center; and

WHEREAS, the Board of Chosen Freeholders finds that investing in this collaboration with the Rutgers Cancer Institute of New Jersey is in the best interest of Middlesex County and its residents;
