Dear *Mrs. Martin*,

This message is in response to your OPRA Request received 1/11/19. We have reviewed your request and have determined that you are seeking documents that are specifically "identifiable" for which a response cannot be gathered.

This is a wholesale request for information that is not encompassed by the intent of OPRA as has been articulated in N.J.S.A 47:1A-1, et. Seq. and MAG Entertainment v. Division of Alcoholic Beverage Control, 375 N.J. Super 534 (App. Div. 2005).

As the Appellate Division stated in MAG "Wholesale requests for general information to be analyzed, collated and compiled by the responding government entity are not encompassed therein." MAG 375 N.J. Super. At 549. See also Bent v. Stafford Police Department, 381 N.J. Super. 30, 37-38 (App. Div. 2005) (noting that "OPRA only allows requests for records, not request for information" and that "OPRA does not authorize unbridled searches of an agency's property.")

As a result of our search, subsequent findings and this response to your requests, we have marked your OPRA request received 1/11/19, as satisfied and closed.

If you wish to re-submit and clarify the OPRA with **specific dates**, please do so in writing and we will do our best to locate the documents you are in search of.

If you have any additional questions and/or concerns, or if we can be of further assistance, please do not hesitate to contact our office at 856-686-2203.

Sincerely,

Dina L. Zawadski, RMC, CMC
