On the above date and time I responded to 32 Blaine Ave for a report of a noise complaint. Upon my arrival I could hear some music playing from the inside of the residence. At that time, contact was made by the juveniles inside who turned the music off shortly after.

I then met with Jaylen Etheridge, who was staying at the address. He was advised of the complaint received and was instructed to turn the music down and keep the noise down for the remainder of the day. He along with the other juveniles complied without incident.

End of report.
