On the above date and time I, Ptl. O'Leary, responded to a call from dispatch for a dispute over garbage in the street. Upon arriving I spoke with Gail Swayze who stated that she had been moving her stuff to the curb to be picked up by a vehicle. Swayze then left the immediate area for a brief period of time. Swayze then returned to find Michael Heffernan picking through the items on the curb thinking they were garbage. I then spoke with Michael Heffernan who stated that he presumed the items on the curb were garbage and free for the taking. Heffernan returned all items and Swayze put all items on the curb into her minivan. With no more issues all units were clear from the scene.
