On the above date and time, I, Ptl. Schiano, responded to 32 Blaine Avenue in reference to an alarm going off. Upon arrival, I knocked on the front door of Unit A the residence and a male answered the door who was later identified as James Armetta.

When speaking with Armetta he informed me that he was home owner and the reasoning for the alarm going off was because he was in the middle of changing the battery.

After learning this, I informed dispatch that I would be clear and that it was just a false alarm. I then left the scene without further incident.
