Narrative
Responded to the area of 33 Pettee Avenue on a report of black males attempting to gain access to parked motor vehicles. Upon arrival, I met Alex Guzman who again had surveillance footage of a black male attempting to gain access to his vehicle in his driveway. Surveillance recordings were sent to records via the AXON Capture program. The unknown actors fled the area in a black sport utility vehicle (NFI). The area was checked with negative results. Both Wyckoff and Franklin Lakes Police Departments were advised of the incident. Assisted by P.O. Santora.
