The following violation(s) were found

Section 26-40.4

Title Permit Required

Should the Director of Community Development or his designated representative find and determine that the depositing of the amount and type of soil, or landfill applied for is necessary and essential to the development of the lot, then the appropriate landfill permit may be issued. If the lot is part of a subdivision presently under construction, then a permit shall be required only if the landfill or soil is to be imported from outside the subdivision.

Summary of infraction

Landfill brought in without permit or approved grading plan.
