Narrative

Caller at 27 Partridge Way is reporting a drone flying over his house and believes it to be suspicious. Caller states that the drone is no longer over his house but would like to speak to an officer. I arrived on scene and spoke to the caller and homeowner John Beck. Mr. Beck states that he no longer sees the drone but is worried about his younger children. Mr. Beck states that the drone was last seen by Princeton Lane. I drove through Princeton Lane and would locate the drone owner Daniel Cohen. Mr. Cohen states that he is taking aerial photos for real estate purposes. All appeared ok. I drove back to Partridge Way and spoke to Mr. Beck and advised him of the drone location, and he was fine with the result. No complaints to be signed. NFA.
