CERTIFICATION IN LIEU OF OATH

I. OWNER SECTION (to be completed if the applicant is the owner in fee)

I hereby certify that I am the owner in fee of the property listed on Page 1.

Mark the following applicable boxes:

A. ☐ I further certify that a new home (private residence) will be constructed on this property for my own use and occupancy. This dwelling is to be occupied by myself and is not to be used for any purpose other than single family residential use. I attest that all construction, plumbing, or electrical work will be done, in whole or in part, by me or by subcontractors under my supervision, in accordance with all applicable laws; and, I further acknowledge that said new home is not covered under the New Home Warranty and Builders Registration Act (N.J.S.A. 46:3B-1 et seq.) and that such fact shall be disclosed to any person purchasing this property within ten years of the date of issuance of a certificate of occupancy.

I UNDERSTAND THAT IN MARKING BOX A, I ACKNOWLEDGE THAT I AM ASSUMING RESPONSIBILITY FOR THE WORK DONE ON SAID PROPERTY, THE CONDITION OF THE PROPERTY PRIOR TO, DURING, AND AFTER ANY WORK PERFORMED, AND FOR THE PERFORMANCE OF THE SUBCONTRACTORS I HIRE, EMPLOY, OR OTHERWISE CONTRACT OR WITH WHOM I MAKE AGREEMENTS TO PERFORM WORK. I AM VOLUNTARILY AND KNOWINGLY ASSUMING THIS RESPONSIBILITY.

B. ☐ I further certify the following as required by the New Jersey Uniform Construction Code, N.J.A.C. 5:23-2.15(e)1.vii:

I personally prepared the plans submitted for: 1) the new home referred to in A.; or, 2) an addition, alteration, renovation, or repair to an existing single family residence owned and occupied by myself and located on the property listed on Page 1; or, 3) a new structure that will be physically separate from, but that will be deemed part of, an existing single family residence that is owned and occupied by myself and located on the property listed on Page 1.

C. ☐ I further certify that I will perform or supervise the following work:

C.1. ☐ Building C.2. ☐ Fire Protection

I further certify that I will perform the following work:

C.3. ☐ Electrical C.4. ☐ Plumbing

D. ☐ I agree to advise all contractors on this project that they are required to be registered with the New Jersey Division of Taxation and to comply with all New Jersey tax laws.

I further certify the following as required by the Uniform Construction Code, N.J.A.C. 5:23-2.15(a)5: All required State, county, and local prior approvals have been given, including such certification as the construction official may require.

I understand that if any of the above statements are willfully false, I am subject to punishment.

Signature Margaret Morrison Date 4-11-94

II. AGENT SECTION

(to be completed if the applicant is not the owner in fee)

I hereby certify the following as required by the New Jersey Uniform Construction Code, N.J.A.C. 5:32-2.15(d): the proposed work is authorized by the owner in fee; and I have been authorized by the owner in fee to make this application as his agent.

I further certify the following as required by the Uniform Construction Code, N.J.A.C. 5:23-2.15(a)5: All required State, county, and local prior approvals have been given, including such certification as the construction official may require.

I agree to advise all contractors on this project that they are required to be registered with the New Jersey Division of Taxation and to comply with all New Jersey tax laws.

I understand that if any of the above statements are willfully false, I am subject to punishment.

☐ Check if contractor.

THE CHANTAL ALTERNATIVE FOR MAINTENANCE

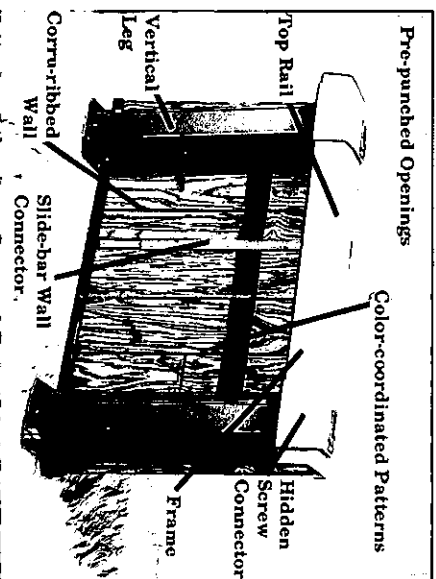

D.O.U.G.H.B.O.Y.

Look at the Doughboy Difference

Frame. Doughboy pool frames are designed to last. Our frame steel receives multiple-layer treatments and coatings to provide excellent protection against corrosion and abrasion. In addition, the frame is color coordinated to enhance the beauty of the pool wall.

Features include:

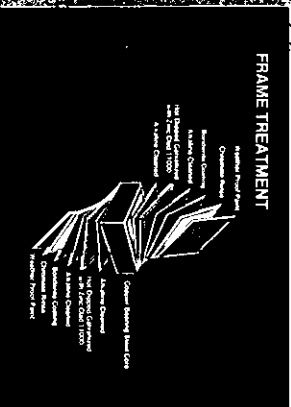

- Zinc Clad™ 11000 with Hot Dipped Galvanizing for protection and corrosion resistance.

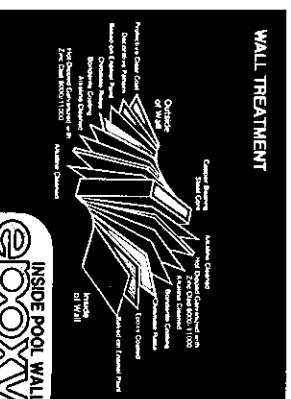

Wall. Doughboy pool walls combine handsome, designer patterns with rugged engineering to ensure a great looking, longer lasting pool.

Features include:

- Hot Dipped Galvanized Steel with Zinc Clad™ 6000 or 11000. Wall is processed with multiple treatments and protective layer steps for maximum durability.

- Interlocking structure for strength and rigidity.
- Hidden screw connector to prevent snagged suits and scratches.

- All smooth surfaces to protect you from cuts and nicks, also to permit a wrinkle-free liner installation.
- Uni-fit™ Top Rail System provides an easier, more efficient installation. Available on most pool models.

- Epoxy coating applied to inner wall for condensation protection. Available on all patterned pools.
- Corru-ribbed for flexibility and vertical strength.
- Pre-punched skimmer and directional eyeball return openings eliminate sharp edges which could cut liner during installation.
- Slide-bar wall connector joins ends of wall together for full structural integrity and ease of assembly.

Liners. Doughboy is a principal producer of virgin vinyl liner material, made to the original Doughboy specifications. Our Galaxy liner, 15 Mil Duraflex liner, and 20 Mil Uniform Depth (UD) liner are ideal for a smooth, continuous depth. For the luxury of enhanced underwater swimming, Doughboy offers our dependable 20 Mil and 25 Mil Duraflex Expandable liners*.

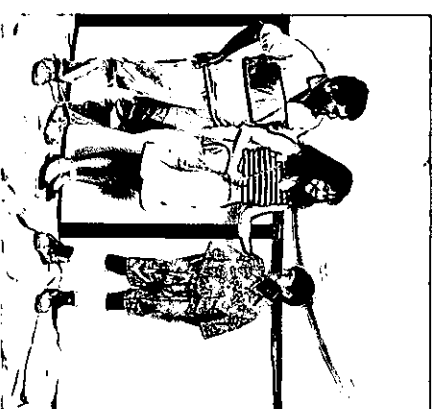

Features include:

- Special Doughboy virgin vinyl formula for chemical and ultra-violet ray resistance.
- Embossed surface for skid resistance.
- *Expandable Duraflex liner allows for continuous depth bottom or an *Optional Special Purpose Deep Swimming Area for Underwater Swimming only. No Jumping. No Diving.*

With Doughboy, rewarding family invigorating swim, or relaxing by passport to many wonderful vacat

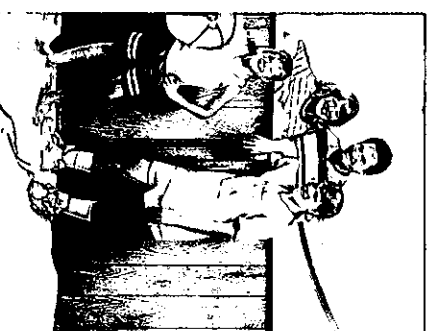

2" Category Aqualine®

An excellent choice for the economy-minded family. Features include our streamlined 2" top rails and economical 3" support structure.

4" Category Lonepine™, Timberline II™

A Doughboy favorite. This popular category combines attractive wall designs with sturdy 4" Uni-fit™ top rails and rugged 3" vertical supports for pools loaded with personality.

Lonepine™ Timberline II™

Doughboy — The Value Added Producer for the 90's.

Almost 50 years ago, Doughboy stepped forward with the original portable, storable above-ground swimming pool. Doughboy has since gained worldwide recognition by establishing a tradition of quality design, engineering and service.

We work hard to be the world's leading manufacturer of above-ground pools. Our 560,000 sq. ft. manufacturing facility gives us the production capabilities to produce the finest quality above-ground pools, filtration systems, skimmers and related accessories for your investment dollars.

Doughboy is a recognized leader in the above-ground pool industry. We use state-of-the-art engineering techniques to continually make new advances in product design and development. At Doughboy, we don't follow the pace; we set it!

Customer support and satisfaction are very important to the Doughboy family. Our friendly pool professionals are ready to assist you with all your above-ground pool needs. You can always turn to us with confidence.

With Doughboy products, your investment becomes a source of pride and value for years to come.

Family recreation takes on exciting new meanings with a Doughboy pool. Discover a healthy and fun-filled way to spend time together with family and friends, all in the convenience of your own backyard.

With Doughboy, it's easy to find the pool to meet your needs. We offer an exciting variety of decorative wall patterns and pool sizes designed to match perfectly with your family's unique style.

Doughboy pools are available in two attractive shapes designed to enhance your backyard decor: our popular round and sporty oval design.

In addition, Doughboy offers an entire line of quality above-ground pool products that includes filters, skimmers, fencing and much more.

With Doughboy, it's easy to bring the good times home!

Change of Design: Doughboy Recreational expressly reserves the right to change or modify the design and construction of any product in due course of our manufacturing procedures without incurring any obligation or liability to furnish or install such changes or modifications on products previously or subsequently sold.

Important! Misuse of your pool may result in crippling injury and/or other dangers to life and health. Do not Dive or Jump! Do not use slides, diving boards, or any other platform or object which can be used for improper pool entry. Use only an above-ground swimming pool ladder to enter or exit your pool. It is your responsibility to secure your pool against unauthorized, unsupervised or unintentional entry. Always obey all safety rules. Remember, pool safety is everybody's responsibility.

Doughboy Recreational is in no way affiliated with any professional pool installer. Therefore, Doughboy can assume no responsibility for errors in installation by the homeowner or said professional pool installer. If you have the pool installed by others, please supervise to be sure they comply with proper installation techniques as shown.

Doughboy Pools...

... Bringing the Good Times Home.

"the original portable pool"

doughboy

DOUGHBODY FAMILY POOLS

recreation is no further than your back yard. Whether you enjoy an outdoor pool or a covered ground pool becomes your choice at home.

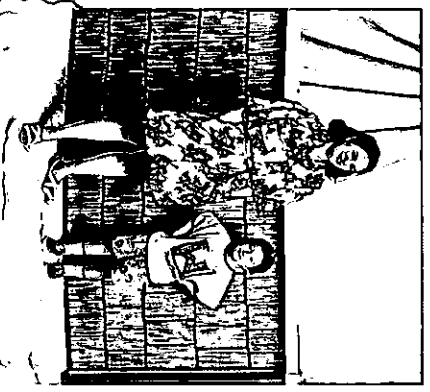

448 Cornell St

The Lap Pool
Brings the spirit of the pool to you

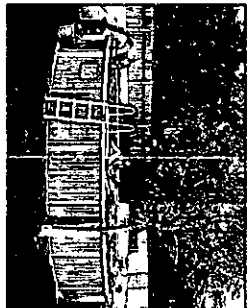

A pool designed just for you
Young Family Series

Flare 6" Category Auburn Hills™, Smoky Pointe™

These beautiful pools feature Doughboy's massive 6" Uni-fit™ top rails, designer outer connectors, and stylized 6" vertical supports.

Auburn Hills

Handsome wall patterns turn any backyard into an overnight success.

Smoky Pointe

Classic 8 1/2" Category King's Canyon™, Blue Mountain™

This exciting category offers a dynamic look in backyard fun and recreation.

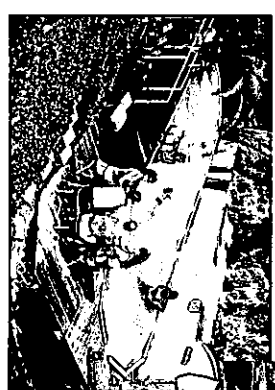

Blue Mountain

Impressive features include super-wide 8 1/2" Uni-fit™ top rails, huge 7" vertical supports, and attractive "Clam Shell" styled top connectors. These pools truly sparkle with success.

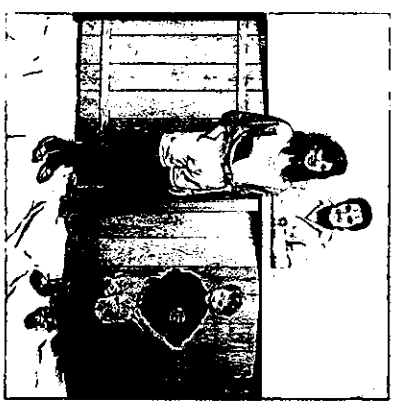

King's Canyon

A must for active individuals who strive for the challenge of an invigorating workout, but want the convenience of exercising at home.

Doughboy's affordable Lap Pool is currently available in two sizes: our popular 40' x 12' Lap Pool, and for the serious athlete, our 44' x 12' model is the pro's choice.

The Lap Pool offers all the qualities of our 4" category and is available in the Lonepine and Timberline II wall patterns.

An exciting pool package ideal for young families just starting out. Features include a durable 20 Mil Uniform Depth Liner and Doughboy's Skim-Line 20 skim filter with a rugged 1/3 horsepower pump unit. The Young Family Series has all the qualities of our 4" category plus a custom designed, low profile 3' high pool wall.

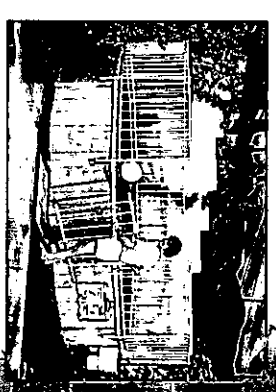

The Young Family Series is available in the handsome Timberline model.

Young Family Series pools are offered in 12' and 16' round configurations - practical choices for today's homes with smaller backyards.

Optional Pool Fencing.

Doughboy pool fencing is an excellent way to reduce the risk of unauthorized pool entry. This attractive pool fencing provides an additional 3 1/2 foot barrier on top of most Doughboy pool walls and conforms to National Spa and Pool Institute (NSPI) standards for pool fencing. In addition, our fencing includes an easy-to-use Fence Locking System with two durable fence locks designed for use with the removable fence section. A secure feeling for family and friends.

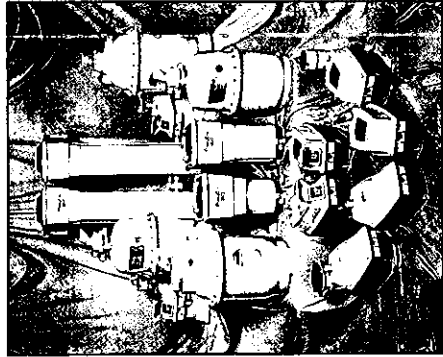

Young Family Series pools are offered in 12' and 16' round configurations - practical choices for today's homes with smaller backyards.

A size for Any Backyard

Doughboy's filtration systems deliver the sparkling clear, polished water every pool owner dreams about. We offer a variety of sophisticated filtration systems designed and manufactured with state-of-the-art technology for maximum efficiency and long lasting performance.

Whatever your filtration needs, Doughboy's rugged Skim-Line, Diatomaceous Earth (DE), and Sand filters are engineered to get the job done. Underwriters Laboratory (UL) and National Electric Code (NEC) units available nationwide.

- Sequel Filter Family:**
- Sequel II™ with Pool Power Pak® II
