

INSTRUCTIONS. Part A is to be completely filled in for all Certifications. Only Part B or C will be completed. Part B will be completed if the administrative authority relies upon the certification signed and sealed by a New Jersey Licensed Professional Engineer that the system has been located, constructed, installed or altered in compliance with the requirements of N.J.A.C. 7:9-1 and the Application to Construct/Alter/Repair an Individual Subsurface Sewage Disposal System which was approved by the administrative authority. Part C will be completed if the administrative authority performs the certification.

Applicant's Phone Number _____

Chester N.J. 07930PART B - Professional Engineer's Certification

I certify under penalty of law that the subsurface sewage disposal system identified in Part A, to the best of my knowledge, has been located, constructed, installed or altered in compliance with the requirements of N.J.A.C. 7:9A-1 and the Application to Construct/Alter/Repair and Individual Subsurface Sewage Disposal Systems which was approved by the administrative authority. This certification is based upon physical inspections of the installation made by the Chester Township Health Department and the following inspections by this firm: disposal field excavation and compaction of filter material (if applicable). I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment.
