Re: Septic Alteration / No Expansion
2-bedroom / Block 51.01 Lot 5
Plan date 8/12/15, submitted 8/21/15, reviewed 8/31/15

To Whom It May Concern:

I have reviewed the above application to construct a new septic designed to accommodate the above referenced dwelling. At this time I **cannot approve** this request. I offer the following comments:

1. Please wrap the liner around the corners of the septic at least 5 feet on either side.
2. Please show the entire property boundary on the septic design.
3. Please list the correct owner on the application and the design. As per tax records the correct owner is Leslie Brown.
4. A GP25 endorsement will be emailed / mailed to you once the above corrections have been made.

Please address the above matters and resubmit. If you have any questions, please contact me at 908-876-3650

Sincerely,

A handwritten signature in blue ink, appearing to read "Kurt Bockbrader".
