The Office of the City Clerk, OPRA Unit, is in receipt of your Open Public Records application regarding the above captioned request. Your request has been forwarded to the appropriate agency(ies) to begin a search for records in accordance with your request. A status and/or response is anticipated on or before _____.

Your request, as interpreted by this office, is not a request to "search" identifiable government documents, but a request to "research" same, and as a consequence needs further information/clarification. To qualify under OPRA, a request must reasonably identify a record and not general data, information, or statistics. Bent v. Township of Stafford, 381 N.J. Super. 30 (App. Div. 2005). Wholesale requests for general information to be analyzed, collated, and compiled by the agency are outside OPRA's scope. Burke v. Brandes, 429 N.J. Super. 169, 174 (App. Div. 2012).

In order to process your request, please resubmit your application accompanied by a copy of the ad(s) for the RFP or Bid requested. Upon receipt, you will be advised accordingly. OPRA awaits your reply.

Please be advised that we are unable to process certain portion(s) of your request because it does not seek the production of identifiable government record(s), as required under OPRA. A copy of your request is attached and those areas have been highlighted for your reference.

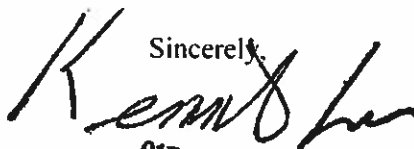

A **partial** response to your request is attached. The anticipated date for the remaining portion of your request is _____.

☒ OPRA is in receipt of responsive records in accordance to your request. The attached represent a complete response. If you have any questions regarding the responsive records received, please contact the agency that responded via the telephone number on the department's response.

Please be advised that the attached/enclosed documents have been redacted in order to comply with the requirements of Daniel's Law, P.L. 2020, c. 125. Your anticipated understanding in this regard is appreciated.
