**RESOLUTION OF APPROVAL
BOARD OF ADJUSTMENT, TOWNSHIP OF BRICK**

Case #BA-1606

March 17, 1993

WHEREAS, an application has been made by Bill and Kathleen Williams for the granting of a variance for front yard setback for the construction of a 16'x32' pool approximately 4' off the existing house and approximately 8' in from the Hillside Right-of-Way on Block 1214, Lot 1088 as set forth on the Tax Maps of the Township of Brick; and

WHEREAS, the Board, after carefully considering the evidence presented by the applicant, and the report from its professional staff, the Board of Adjustment hereby makes the following findings of fact:

1. The applicants have a proprietary interest in the property.
2. The applicants have requested approval in accordance with the Ordinances of the Township of Brick.
3. The site in question is located in R-7.5 zone at the intersections of Hillside, Fifth and Summit Avenues.
4. The applicants are requesting a variance from the Brick Township Land Use and Development Regulations of the Code of the Township of Brick to construct a 16'x32' pool approximately 8' off the Hillside Avenue right-of-way, where 25' is required within the

front yard setback.

WHEREAS, the Board of Adjustment has determined that the applicants be granted the requested relief for the following reasons:

1. The proposed pool would be inherently beneficial to the health and fitness of the owners and would pose no apparent danger or problems to the surrounding area.

2. The granting of the variance would not have a substantial detriment to the public good and will not substantially impair the intent and purposes of the Zone Plan and Zoning Ordinances of the Township of Brick.

3. There is no other area on the applicants' property where the pool can be located since the rear yard is shaded by trees, and construction of the pool within the front yard setback is a safe location for the pool.

4. Hillside Avenue is unimproved, and it is unlikely to be improved in the future.

NOW, THEREFORE, BE IT RESOLVED, by the Brick Township Board of Adjustment that the application is hereby approved subject to the following conditions:

1. The applications must submit proof of payment of all currently due taxes to the Brick Township Board of Adjustment.

2. The applicants consent to the overhead utility wires being moved away from the pool area.

3. The pump for the pool is not to be located on the street side of the property.
