Jackson Township Fire District 3 Station 55

1. What is the primary operating radio frequency band (VHF, UHF, UHF-T, 7/800) for your:
 - a. Police Department
 - b. Fire Department
 - c. EMS

2. What is your migration plan once the 500MHz Trunked Radio System is decommissioned by Federal Regulation in 2021?

We plan to transfer over to the county system and will keep our current equipment also as a backup with Jackson Channels

3. Do you currently own or plan to purchase radios capable of operating on the County's new p25 700 MHz Trunked Radio System?

We have secured funding to purchase all the necessary radios once the county is ready. We also will work together as a township to purchase the radios all together.

4. Do you currently own or plan to purchase radios capable of AES Encryption?

We currently own one mobile and one portable.

5. DO you have a need to have interoperable radio communication with State agencies?

Yes, NJFF service

JACKSON - F

1. What is the primary operating radio frequency band (VHF, UHF, UHF-T, 7/800) for your:
 - a. Police Department UHF-T
 - b. Fire Department UHF-T
 - c. EMS UHF-T

2. What is your migration plan once the 500MHz Trunked Radio System is decommissioned by Federal Regulation in 2021?

Jackson Township plans to create a Jackson sub-system to the Ocean County 700 MHz system. We have already taken major steps towards this project including securing additional 700 MHz frequencies for the sub-system to operate on.

3. Do you currently own or plan to purchase radios capable of operating on the County's new p25 700 MHz Trunked Radio System?

Jackson Police and EMS will be purchasing new radios to operate on the new 700 MHz system with the purchase of the sub-system mention above. Jackson Fire Companies are already in possession or process of purchasing radios to operate new radio system.

4. Do you currently own or plan to purchase radios capable of AES Encryption?

Jackson Police will be purchasing radios with AES Encrytion.

5. DO you have a need to have interoperable radio communication with State agencies?

Jackson Township Would request interoperability with the following state agencies if possible:
New Jersey State Police
New Jersey State Fire Service
New Jersey Fish And Game

JACKSON P/F/B
