

On behalf of the Middlesex County Board of County Commissioners and in partnership with the Human Services Advisory Council (HSAC), we cordially invite you to join the

HOUSING POLICY SUMMIT

Governor Murphy recently signed A4/S50 into law, reforming municipal responsibilities for affordable housing and abolishing the Council on Affordable Housing (COAH).

Join us to gain insights into the new regulations, explore best practices, and network with peers. This new law will shape our communities' future and impact affordable housing statewide.
