Ms. Jessica Martin

Dear Ms. Martin:

The Township of Pennsauken received your Open Public Records Act (OPRA) request on February 11, 2019. I, as the records custodian received your OPRA request on February 11, 2019, the seven (7) business day deadline to respond to your request is February 21, 2019. A response to your request was being provided to you on the 7th business day after the custodian's receipt of said request. An initial response on February 21 requested an extension until March 4. This response is being sent on February 21, 2019 completing your request.

The attached records are being provided in their entirety and are responsive to # 1 (permits) of your request. Please be advised that the Township of Pennsauken has no records responsive to #'s 2, 3, and 4 of your request.

If your request for access to a government record has been denied or unfilled within the seven (7) business days required by law, you have a right to challenge the decision by the Township of Pennsauken to deny access. At your option, you may either institute a proceeding in the Superior Court of New Jersey or file a complaint with the Government Records Council (GRC) by completing the Denial of Access Complaint Form. You may contact the GRC by toll-free telephone at 866-850-0511, by mail at P.O. Box 819, Trenton, NJ, 08625, by e-mail at grc@dca.state.nj.us, or at their web site at www.state.nj.us/grc. The GRC can also answer other questions about the law. All questions regarding complaints filed in Superior Court should be directed to the Court Clerk in your County.

Sincerely,

Gene Padalino
Township Clerk

FEF 11 2019

Dear Pennsauken Township,

This is a request for public records made under OPRA and the common law right of access. I am not required to fill out an official form. Please acknowledge receipt of this message.

Records requested:

- Open construction permits
- Any information regarding the presence of an underground oil tank, if applicable, including permits, remediation reports, environmental reports
- Survey showing underground oil tank location (if applicable)
- Information regarding the presence of a septic system (permits, drawings, survey, etc)

Yours faithfully,

jessica martin
