Dear Brick Township,

BRICK TWP MUNICIPAL CLERK

Please accept this electronic request for public records made under OPRA and the common law right of access. I am not required to fill out an official form or use a particular software platform to submit my request per NJSA 47:1A-5(f), which states that an email from a requestor including all of the information required on the adopted form shall suffice in place of a completed form as a valid government record request.

I HAVE NOT been convicted of any indictable offense under the laws of New Jersey, any other state, or the United States.

I WILL NOT use the requested government records for a commercial purpose.

I AM NOT seeking records in connection with a legal proceeding.

Records requested:

Requesting all available 911 documentation and/or recordings for January 1, 2026-December 31, 2026, originating from the following location:

Complete Care at Brick

415 Jack Martin Blvd

Brick Township, NJ 08724

I understand audio recordings may no longer be available. To minimize any burden or cost, I'm only seeking existing records in their current format, such as a basic log showing date, time, location, and call type or disposition. I'm not requesting any customized reports, formatting, or additional redaction beyond what is already standard. If such records are available in a simple log or report format, that would be sufficient. I'm requesting these copies be provided electronically via email, if available. I do not require papers copies. Thank you.

My preferred delivery method for response(s) to this request is by E-mail as attachments. Please confirm you have received this request. If you are not the custodian of records, please forward my request to that person and provide their email address to me for future reference.

Yours faithfully,

Jennifer Lovett
