145 Crash Description/Narrative

Driver #1 indicated she was traveling south on CR 549 and entered the jug handle toward CR 549-S. She stated she was in the right lane and that before the traffic signal she intended to change lanes to the left. She stated she activated her left turn signal and checked her mirrors. As she changed lanes, she failed to realize veh #2 was alongside to her left. Her vehicle contacted veh #2.

Driver #2 indicated she was traveling through the jug handle in the left lane as veh #1 was to her right. She stated that just prior to the traffic signal veh #1 entered her lane of travel contacting her vehicle's right side.

Veh #1 sustained minor damage to the left front bumper and quarter panel. Veh #2 sustained damage along the passenger side from the passenger side door rearward to the left right quarter panel. No injuries were reported at the scene.

Based upon this investigation, it appears driver #1 operated her vehicle without due caution or circumspection resulting in the above described / illustrated collision.
