280 Route 9 North-Cambridge Square Shopping Plaza

145 Crash Description/Narrative

***Box 10: 280 Route 9 North is a shopping plaza called Cambridge Square with retail stores and a large parking lot.**

Vehicle 01 was backing out of a parking space in front of the Dollar Tree store. Vehicle 02 was stopped in front of the store and had just picked up a passenger that had come out of the store. The rear passenger side of Vehicle 01 struck the front driver side of Vehicle 02. Driver 01 stated that she did not see Vehicle 02 stop behind her before backing from the parking space. Driver 01 backed the vehicle out without making sure it was safe to do so. I observed minor damage to the rear passenger side bumper of Vehicle 01 and minor damage to the front driver side fender of Vehicle 02. No injuries were reported at the scene. Both vehicles were driven from the scene. I had nothing further to report.

No photos taken. No injuries reported at the scene.

Vehicle 1 was towing trailer V221347. Driver 1 stated he was backing the trailer up to gain access to the dumpsters when Vehicle 2 moved forward after being parked and impacted the tire of the trailer. No damage to Vehicle 1 or the trailer.

Driver 2 stated he was instructed by the Township Employee to remain parked at the Recycling Yard entrance gate. Driver 2 stated his vehicle was parked when the trailer of Vehicle 1 backed into his vehicle and the tire of the trailer impacted the front left bumper of his vehicle. This resulted in a minor dent to the front left bumper of Vehicle 2.

After speaking to the Township employee working the entrance gate, I was informed Vehicle 1 backed into parked Vehicle 2.

Both vehicles were travelling north on Gordons Corner Road and came to the intersection at Route 520. Due to a power outage the traffic light at the intersection was not functioning but stop signs were placed at the intersection.

145 Crash Description/Narrative

Photos taken.

V1 was traveling South on Route 79. D1 stated that he observed two bicyclists riding on the side of the road, going South on Route 79. D1 stated that as he approached the bicyclists, B1 swerved into the lane of travel. D1 swerved to avoid the collision but struck B1. The operator of the bicycle got ejected from the bike, struck the windshield of V1 and was thrown into the roadway. V1 ended up dragging the bike and came to rest in the North bound lane. The bike was pulled out from under V1 and moved to the side of the road prior to my arrival. B1 was moved from the roadway to the side of the road where he was being treated for his injuries by Marlboro EMS.

B1 stated to me through a Spanish translator that he was traveling on Rt 79, and that he was struck by V1. He stated that he did not enter the lane of travel. B1 was not equipped with any lights, reflectors, and was not wearing a helmet at the time of the incident.

The second bicyclist did not see the crash due to the fact she was riding in front of B1.

This section of Rt 79 has no shoulder on the South bound side where B1 was traveling. To the right of the fog line is dirt and grass which is elevated higher than the roadway.

V1 and the bicycle were towed to MTPD impound.

145 Crash Description/Narrative

***Box 10- Marlboro Land Rover / Jaguar Car Dealership**

At the time of the collision Route 9 was closed in both directions due to an unrelated motor vehicle accident. All North bound traffic was diverted to turn around by the state DOT and Marlboro Township Police. I was positioned in the intersection and observed both vehicles enter the parking lot for the Ray Catena car dealership. They then both turned around and tried to enter the roadway. Vehicle one then drove into the side of vehicle two.

145 Crash Description/Narrative

V1 was on Union Hill Rd. westbound in a left turn lane for Clayton Rd., but was unable to make a left turn, due to an emergency road closure by Marlboro police for an unrelated accident. V1 then tried to move into the straight lane but didn't see V2 who was already along side her. D1 made contact with the right front corner of V1 to the mid left side of V2. Officer Stack was working the road closure and called in the accident and had both vehicles move to an adjacent parking lot. No injuries reported and the damage was minor to both vehicles. The patrol vehicle was parked across Clayton Rd with cones and Emergency lights on blocking access to that portion of Clayton Rd.
