144 Crash Diagram (NOT TO SCALE)

145 Crash Description/Narrative

Box 118A - Driver 1 advised her vehicle's balance was off, then advised me she does not know how to drive her vehicle, then advised me she had something in her eye.

Box 126A - Double yellow line

Vehicle 1 was traveling South on Neptune Ave. Vehicle 1 crossed the double-yellow line and proceeded straight. Vehicle 1 then went up the Eastern curb and struck a utility pole (#40052NC), a "No Parking Within Intersection" sign, and damaged the grass along the curb. As a result of the crash, Vehicle 1 had airbag deployments throughout the vehicle. When confronted, Driver 1 stated the balance in her vehicle is off. After being confronted a second time, Driver 1 stated she does not know how to drive her vehicle. Driver 1 was confronted a 3rd time and denied utilizing her cellular device, but had something in her eye which distracted her from driving. Driver 1 stated she was driving the posted speed limit of 25 MPH.

Vehicle 1 sustained disabling damage to the front end of the vehicle with fluid's leaking. The utility pole was knocked out of it's post and was laying in the middle of the intersection. The posted no parking sign was knocked out of its position and laid under Vehicle 1. As a result of the crash, there was also damage to the grass along the curb in front of 102 Neptune Ave.

NCFD responded and cleaned the fluids. NTFA responded and checked on Driver 1 who refused first aid. Jim's Towing responded and towed the vehicle to Atlantic Auto.

JCP&L responded and cleaned up the pole, as well as securing the downed powerline. Verizon responded and advised they will contacting their supervisors to have the pole replaced at a later date.

Driver 1 was issued citation:
