145 Crash Description/Narrative

Box #25 #26042 Liberty Mutual

Box 118A & 118B - Driver #1 stated the brakes of Vehicle #1 locked up on the wet roadway while attempting to brake behind Vehicle #2.

Vehicle #2 was stopped in traffic in the left east bound lane of SR 33 behind an unknown white pickup truck at the Brighton Ave intersection. Vehicle #1 was also in the left east bound lane of SR 33 slowing behind Vehicle #2. The SR 33 EB traffic signal turned green and the unknown white pick up truck did a U-turn in the intersection and proceeded west on SR 33 WB. This action caused Driver #2 to apply the brakes of Vehicle #2. Driver #1 stated he applied the brakes of vehicle #1, but the brakes locked up on the wet roadway. The front of Vehicle #1 collided with the rear of Vehicle #2, 10 feet west of Brighton Ave. Vehicle #1 sustained disabling damage to its respective point of impact. Vehicle #2 sustained moderate functional damage to its respective point of impact.

Neither Driver complained of any pain or injury and both gave the same account of the accident. Atlantic Coast Towing responded and towed Vehicle #1 to East Coast Auto Body.
