145 Crash Description/Narrative

Vehicle #1 was traveling in the left hand lane, southbound on Memorial Drive. Vehicle #2 was traveling eastbound on 4th Avenue approaching the posted stop sign at the intersection of Memorial Drive. Driver #2 did not properly stop/yield to oncoming traffic and subsequently entered the intersection of Memorial Drive in an attempt to continue going straight on 4th Ave. As a result, the front bumper of Vehicle #1 collided with the driver side of Vehicle #2. Vehicle #1 sustained disabling damage and Vehicle 2 sustained moderate/functional damage to their respective points of impact.

Neither Driver #1 or Driver #2 had a complaint of pain.

Due to the driver side airbags deploying in Vehicle #1, a tow was requested. Bennett's towing responded and towed the vehicle without incident.
