Re: OPRA Request 1676-22

Dear Mr. Duff:

I am in receipt of your recent OPRA request, whereby you requested the following:

Accounting of the Cares Act money received by the Burlington County Bridge Commission, including all applications received for those who were awarded and those who were not, as well as the resolutions for each approval of the \$660,000 received to administer by the Bridge Commission's Office of Economic Development.

Attached please find the documents responsive to your request for the "accounting of the Cares Act money" and "resolutions". Please be advised that a search of our files indicates that there are no documents or records made, maintained or kept on file by the County of Burlington responsive to your request for "all applications". Please be further advised that there may be documents or records responsive to your request for "applications" on file with the Burlington County Bridge Commission which is a separate entity from the County of Burlington with its own Records Custodian. We now consider our response complete. Thank you for the opportunity to be of assistance.

Sincerely,

DINA ROCCO
Custodian of Public Records
Burlington County
