Authority and Powers

0120 AUTHORITY AND POWERS

The general mandatory powers and duties of the Holmdel Township Board of Education are defined in Title 18A of New Jersey Statutes. Other sections of the statutes state or imply that a local Board of Education has full power to operate the local public schools as it deems fit in compliance with State and Federal mandates and pertinent laws of the municipality. The Board functions only when in session.

The Board of Education sees its required functions as:

A. Policy Oversight

The Board is responsible for the development of policy and for the employment of a Superintendent who shall carry out its policy through the development and implementation of regulations. The Board is responsible for evaluating the effectiveness of its policies and their implementation. This includes setting and evaluating goals in educational and financial areas.

B. Educational Planning

The Board is responsible for requiring and acquiring reliable information from responsible sources which will enable it and the staff to work toward the continuing improvement of the educational program.

C. Provision of Financial Resources

The Board has major responsibilities for the adoption of a budget which will provide the wherewithal - in terms of buildings, staff, materials, and equipment - which will enable the school system to carry out its functions.

D. Interpretation

The Board is responsible for providing adequate and direct means for keeping the local citizenry informed about the schools and for keeping itself and the school staff informed about the wishes of the public. All planning, both that which is and that which is not related to the budget, needs to be interpreted to the public if citizens are to support the school program.

0131 BYLAWS AND POLICIES

The Board of Education shall exercise its rule-making power by adopting bylaws and policies for the organization and operation of the school district.

Adoption, Amendment, and Repeal

Bylaws and policies may be adopted, amended, and repealed at any meeting of the Board, provided the proposed adoption, amendment, or repeal has been proposed and approved at a previous meeting of the Board.

The Board may at its organization meeting and by a majority vote of those present and voting readopt existing bylaws and policies without prior notice.

The Board may, under emergency circumstances, suspend the operation of a bylaw or policy and adopt, amend, or repeal a bylaw or policy without prior notice. The emergency adoption, amendment, or repeal of a bylaw or policy shall terminate at the next meeting of the Board or at such earlier date as may be specified by the Board unless further acted upon by the Board.

The adoption, amendment, repeal, or suspension of a bylaw or policy shall be recorded in the minutes of the Board. Any policy or part of a policy that is superseded by a term in a negotiated agreement or by a subsequently adopted policy shall no longer be in force and effect as a policy.

Promulgation and Distribution

A manual of bylaws and policies shall be maintained. A copy of the manual of bylaws and policies shall be given to each Board member, the Superintendent, the Board Secretary, the Board Attorney, each Building Principal, and other individuals designated by the Superintendent. An electronic copy will be maintained and posted on the district website.

The Superintendent shall institute a plan for the orderly promulgation of policies to staff members who are affected by them and shall provide staff members with access to an up-to-date manual of Board bylaws and policies.

Each copy of the manual of bylaws and policies shall be numbered; a record of the placement of each manual shall be maintained by the Superintendent's office. Copies of revised pages will be furnished to the holders of manuals as changes are made to bylaws and policies. The holder of a policy manual shall return the manual to the Board Secretary upon the termination of his/her service to the district.

Bylaws and Policies

The manual of bylaws and policies shall be considered a public record open to inspection in the office of the Superintendent and Holmdel Township Public School libraries, as well as the district's website. The manual retained by the Superintendent's office shall be considered the master copy of the policy manual and shall not be modified by any person other than the Superintendent or his/her designee.

Development of Bylaws and Policies

Bylaws and policies will be developed and considered by the Board in accordance with the following procedure:

1. A new or revised bylaw or policy may be suggested to the Board by any Board member, the Superintendent, any staff member, or a member of the public;
2. A suggestion for a new or revised bylaw or policy may be referred, at the discretion of the President and as appropriate to the subject, to the Superintendent, a Board committee, or a public advisory committee for study and formulation of a recommendation to the Board. Any study of a policy suggestion should consider whether the matter is adequately addressed in existing Board policy and whether the matter is more appropriately addressed by administrative regulation;

3. **First Reading**

If a recommendation for a new or revised bylaw or policy results from referral for study, a proposed draft will be submitted to the Board for discussion and approval on first reading. Copies of the proposed draft will be made available to staff members and the public, and comment will be invited. Changes in the draft may be made, by a simple majority vote, when the draft is presented for approval on first reading;

4. **Second Reading**

The proposed draft, approved on first reading, will be submitted for adoption at the next regular meeting of the Board. Changes in the draft may be made by a simple majority vote. A change that alters the substantive meaning of the draft will constitute a new first reading, and the draft must be presented for adoption at the next succeeding Board meeting. A change that is merely editorial may be followed by a vote to adopt the new or revised bylaw or policy on second reading.

Board Self Evaluation**0134 BOARD SELF EVALUATION**

The Board of Education is committed to the belief that every part of the school system in this district should be accountable to the public and that performance evaluation is essential to that accountability. The Board further believes that the improvement and growth of any institution depends upon an honest appraisal of its strengths and weaknesses. The Board accepts, therefore, responsibility for the conduct of a systematic program of self-evaluation and appraisal. The standards against which the Board will evaluate itself will be the educational goals, bylaws, and policies duly adopted by this Board.

The Board will annually adopt an evaluation instrument that permits individual Board members to record their assessments of the conduct of Board meetings, the fiscal management of the district, the conduct of the instructional program, and the relationship of the Board with the Superintendent, other district staff members, and the community.

The assessments of Board members will be tabulated and presented for discussion at a regular meeting of the Board in which the Superintendent will be invited to participate. The Board will formulate, as appropriate, goals and priorities that will serve to guide the Board in the ensuing school year.

Notice of Board Meetings

0162 NOTICE OF BOARD MEETINGS

The Board of Education will give notice of all meetings in accordance with law.

Public Notice

The Board Secretary shall notify, in writing and no later than forty-eight hours in advance of the meeting, each Board member and each person who has duly requested such notification of the time, date, location, and, to the extent it is known, the agenda of any regular, special, or rescheduled meeting. Forty-eight hour notice shall also be posted in the Board office, delivered to two newspapers designated by the Board, and filed with the clerk of Holmdel Township, except that forty-eight hour notice is not required where the time, date, and location of the meeting has been published in the annual list of meetings approved by the Board in accordance with law.

Upon the affirmative vote of three-quarters of the members present, the Board may meet in the absence of adequate notice, provided that discussion and action is limited to specific and unforeseen or unforeseeable matters of such urgency and importance that delay for the provision of notice would be likely to result in substantial harm to the public interest and that notice is given as soon as possible after the call of the meeting in accordance with the provisions of law and this bylaw.

Personal Notice of Meeting

The Board shall provide personal notice in writing to an adult pupil, the parent(s) or legal guardian(s) of a minor pupil, an employee or officer of this district, or a prospective employee whose privacy may be invaded or whose employment may be affected by the Board's deliberations in private session. Such personal notice will include the date and time of the private meeting, the subject or subjects scheduled for discussion at the private meeting, and the right of the individual given notice to request that the discussions be conducted at a public meeting. Personal notice will be given no less than two days in advance of the private meeting.

A written request for public discussion must be signed by the person making the request and must be submitted to the Board Secretary prior to the commencement of the meeting. Any such properly submitted request will be granted. In the event that one or more, but fewer than all, of a group of persons whose employment will be discussed request a public meeting, the discussion regarding the person or persons who have submitted the request will be severed from the rest and will be conducted publicly.

0163 QUORUM

A quorum shall consist of five physically present Board members, and no business shall be conducted in the absence of a quorum, except when the Doctrine of Necessity is invoked.

In the event a quorum is not present at the hour of convening, the meeting may be recessed to a time not later than 9:00 p.m. of the same day. If a quorum is not then present, the members present may adjourn the meeting to a later date within seven days.

The Board of Education recognizes that there may be matters that come before the Board or acts required of Board members in their official capacity where the Board member may have a conflict of interest or the act would be in violation of N.J.S.A. 18A:12-24. In these matters, the Board member(s) will remove himself/herself from any discussions, meetings (informal or formal), committee meetings, and/or a vote regarding the matter. The Board will consider this matter without the Board member(s) who has the conflict.

In the event a matter comes before the Board or an act is required of a Board member in his/her official capacity that is a conflict or would be in violation of N.J.S.A. 18A:12-24, the Board would still be required to have a quorum to consider the matter. However, the New Jersey Department of Education and the School Ethics Commission has envisioned this prohibition could create a situation in which so many Board members have a conflict, that the Board would be unable to take action on a matter. Therefore, when more than a quorum of the Board members must abstain from voting on a matter, the Board will invoke the Doctrine of Necessity consistent with the New Jersey Department of Education and School Ethics Commission guidelines as follows:

A. Board Member(s) in Conflict - Less Than a Majority of The Board

1. In the event a Board member(s) has a conflict of interest where the Board member will act in his/her official capacity, the Board member must remove himself/herself from any discussions, meetings (informal or formal), committee meetings, and/or a vote regarding the matter.
2. In the event a Board member is unsure whether he/she or any other Board member has a conflict of interest or whether the matter, if acted upon by a Board member(s) is in violation of N.J.S.A. 18A:12-24 - Prohibited Acts, the School Board Attorney will make a determination.
3. The School Board Attorney will provide the Board of Education an opinion on whether the matter is a conflict of interest or act prohibited by N.J.S.A. 18A:12-24 - Prohibited Acts.

4. If the Board member(s) believes he/she has a conflict of interest where he/she will act in his/her official capacity or if the School Board Attorney renders an opinion that the Board member has a conflict of interest where the Board member will act in his/her official capacity, the Board member will remove himself/herself from any discussions, meetings (informal or formal), committee meetings, and/or a vote regarding the matter.
- B. A Majority of Board Members in Conflict
1. In the event:
 - a. A Board member(s) believes he/she has a conflict of interest where he/she will act in his/her official capacity; or
 - b. If the School Board Attorney renders an opinion that the Board member(s) has a conflict of interest where the Board member will act in his/her official capacity; and
 - c. The number of Board members that have a conflict would make it so the Board would be unable to take action on the matter, then the Board may invoke the "Rule [or Doctrine] of Necessity." (Citing *U.S. v. Will*, 449 U.S. 200 (1980)).
- C. Rule [Or Doctrine] Of Necessity
1. The Doctrine of Necessity may be invoked when more than a quorum of the Board must abstain from voting on a matter.
 2. There are three prerequisites necessary for a Board to invoke the Doctrine of Necessity:
 - a. The Board must be unable to act without the members in conflict taking part;
 - b. There must be a pressing need for action, i.e. the matter cannot be laid aside until another date; and
 - c. There can be no alternative forum that can grant the same relief. (*Allen v. Toms River Regional Board of Education*, 233 N.J. Super 651 (Law Division 1989).
 3. When the School Board Attorney advises the Board the Doctrine of Necessity must be invoked in order to obtain a quorum on a vote, the Board must announce that it is invoking the Doctrine.

- a. The announcement must include the reason the Board must invoke the Doctrine of Necessity including stating the nature of each Board members conflict.
 - b. The announcement will be in writing and should be recorded in the minutes of the meeting by the Board Secretary at the point when the vote takes place.
 - c. It is enough for the Board to announce it is invoking the Doctrine and a Board Resolution is not required.
4. When the Board announces the Doctrine of Necessity is being invoked, the details, parameters and/or other pertinent facts of the matter to be voted should be revealed on an agenda for the public meeting in which the matter is to be voted upon.
5. The Board members who have a conflict in the matter are prohibited from:
 - a. Participating in any discussions on the matter prior to the announcement and public meeting; and
 - b. From entering an executive session in order to discuss the merits of the matter or contract; and
 - c. From offering their opinions on the matter at any time prior to the announcement and public meeting.
6. The Board members who have a conflict in the matter may only participate to the extent they may vote after the motion to approve and/or ratify the matter has been made and seconded and the Doctrine of Necessity has been thoroughly explained to the public.
7. Board members in conflict may only ask questions regarding the matter to be voted on in public and after the Board has invoked the Doctrine of Necessity.
8. Board members in conflict may explain their reasons for not voting just before the vote.

0169 BOARD MEMBER USE OF ELECTRONIC MAIL/INTERNET

The Board of Education is a public body as defined in the New Jersey Open Public Meetings Act, N.J.A.C. 10:4-6 et seq., and the Board and its members are required to comply with the provisions of this Act. It is the right of the public to be present at meetings of public bodies and to witness in full all phases of the deliberations, policy formulation, and decision-making. Board members acknowledge certain discussions between Board members, other than during a Board meeting, may be subject to the provisions of the Open Public Meetings Act.

The Board of Education is also subject to the Open Public Records Act, N.J.S.A. 47:1A-1 et seq. The Open Public Records Act requires public agencies/School Boards to make certain governmental records subject to public access. Board members may, by written and/or electronic mail (e-mail), communicate with each other and with certain school staff regarding the school district's public business. "Public business" means and includes all matters that relate in any way, directly or indirectly, to the performance of the public body's functions or the conduct of its business. Board members acknowledge these written communications may be classified as a governmental record and may be subject to public access pursuant to the Open Public Records Act.

In order to ensure the Board and/or individual Board members comply with the requirements of the Open Public Meetings Act and the Open Public Records Act, the following guidance is provided regarding certain discussions and written communications regarding the public business:

1. Written letters, e-mails, and supporting documents regarding school district matters written by Board members to other Board members or written by Board members to school staff, unless the subject matter is specifically exempt under the Open Public Records Law, are governmental records and are subject to public access. Based on the potential for improper/inappropriate disclosure and/or breach of confidentiality that may compromise the Board or Board member, these communications should not involve confidential matters, especially any matter the Board may discuss in executive/private session outside the presence of the public pursuant to the Open Public Meetings Act.
2. Written letters, internet (chat) and social media discussions, e-mails, and supporting documents regarding the school district's public business written by Board members to other Board members shall not replace deliberations that would allow the public to witness in full detail all phases of the Board's deliberations, policy formulation, and decision-making process in accordance with the intent of the Open Public Meetings Act.

0174 LEGAL SERVICES

In accordance with N.J.A.C. 6A:23A-5.2, the Board of Education adopts this Policy and its strategies to ensure the use of legal services by employees and the Board of Education members and the tracking of the use of legal services.

The Board of Education authorizes the Superintendent of Schools, Superintendent of Schools' designee, School Business Administrator/Board Secretary, Board President and Board President's designee as designated contact persons to request services or advice from contracted legal counsel.

The School Business Administrator/Board Secretary shall be responsible to review all legal bills and confer with designated contact persons in reviewing such legal bills.

In accordance with the provisions of N.J.A.C. 6A:23A-5.2(a)2, the Board designates the administrative staff member to review all legal bills and designates contact persons to ensure the prudent use of legal services.

School districts with legal costs that exceed one hundred thirty percent of the Statewide average per pupil amount should establish the procedures outlined in 1., 2., 3., and 4. below and, if not established, provide evidence such procedures would not result in a reduction of costs.

1. The designated contact person(s) shall ensure that contracted legal counsel is not contacted unnecessarily for management decisions or readily available information contained in district materials such as Board policies, administrative regulations, or guidance available through professional source materials.
2. All requests for legal advice shall be made to the designated contact person(s) in writing and shall be maintained on file in the district offices. The designated contact person shall determine whether the request warrants legal advice or if legal advice is necessary.
3. The designated contact person(s) shall maintain a log of all legal counsel contact including the name of the legal counsel contacted, date of the contact, issue discussed, and length of contact.
4. All written requests for legal advice and logs of legal counsel contacts shall be forwarded to the School Business Administrator/Board Secretary, who shall be responsible to review all legal bills and compare all legal bills to the contact logs and to investigate and resolve any variances.

Legal Services

Any professional services contract(s) for legal services shall prohibit advance payments. Services to be provided shall be described in detail in the contract and invoices for payment shall itemize the services provided for the billing period. Payments to legal counsel(s) shall only be for services actually provided.

School districts and vocational school districts are prohibited from contracting with legal counsel or using in-house legal counsel to pursue any affirmative claim or cause of action on behalf of district administrators and/or any individual Board members or pursuing any claim or cause of action for which the damages to be awarded would benefit an individual rather than the school district as a whole.

The Board of Education will annually establish prior to budget preparation, a maximum dollar limit for each type of professional service, including legal services. In the event it becomes necessary to exceed the established maximum dollar limit for the professional service, the Superintendent of Schools shall recommend to the Board of Education an increase in the maximum dollar amount. Any increase in the maximum dollar amount shall require formal Board action.

Contracts for legal services will be issued by the Board in a deliberative and efficient manner that ensures the district receives the highest quality services at a fair and competitive price or through a shared service arrangement. This may include, but is not limited to, issuance of such contracts through a Request for Proposals (RFP) based on cost and other specified factors or other comparable processes. Contracts for legal services shall be limited to non-recurring or specialized work for which the district does not possess adequate in-house resources or in-house expertise to conduct.

Contracts with Independent Consultants

0175 CONTRACTS WITH INDEPENDENT CONSULTANTS

The Board of Education may from time to time engage the services of one or more independent contractors to advise and assist the Board in analyzing school district operations and preparing Board reports when those tasks cannot be performed as economically by district staff members.

Wherever possible, the Board will seek proposals from multiple sources before a contract with an independent consultant is entered. The Board will not contract with a Board member or the spouse, child, parent(s) or legal guardian(s), or sibling, in fact or in law, of a Board member as an independent consultant.

The Board will engage the services of an independent consultant only by written contract, which must specify the work to be accomplished by the consultant, the time within which the work is to be completed, and the fee that will be paid the consultant. An independent consultant engaged by the Board is neither agent nor employee of the Board and may represent the Board only as expressly authorized to do so in writing.

An independent consultant may have access to such school facilities and school district employees as may be reasonably required in the performance of the consultant's contract with the Board. Except as expressly permitted by the contract, any communication between the consultant and a district employee or community member regarding the work of the contract must be conducted through the Board or a designated school official.

Materials and reports generated and created by the independent consultant in the performance of his/her contract with the Board are and will remain the property of the Board and are subject to Board Policy No. 8310 on public records.

0176 COLLECTIVE BARGAINING AND CONTRACT
APPROVAL/RATIFICATION

The Board recognizes a Board member and/or a member of his/her immediate family may be a member of, or salary is determined by, a labor bargaining unit, professional association and/or union that has an affiliation with a bargaining unit, professional organization and/or union within the school district. The Board member does not automatically violate N.J.S.A. 18A:24 by voting to approve and/or ratify this contract solely on the basis of his/her status or that of an immediate family member with respect to membership or representation by a different local affiliate of the same Statewide association with whom the agreement is made provided the Board member's involvement with such local affiliate has not or appears to have not compromised the member's objectivity or independence of judgment.

In accordance with N.J.S.A. 18A:12-24, the Board member shall not participate in the collective bargaining process and/or serve on the negotiations committee representing the Board with this unit, association, and/or union. The Board member may be apprised of the terms of a tentative memorandum of agreement with this unit, association, and/or union in closed and/or open session only after a tentative memorandum of agreement has been reached. The Board member may vote during the public meeting to approve and/or ratify a contract with this bargaining unit, professional association and/or union.

The Board member shall not participate in any aspect of negotiations and/or vote to approve/ratify a tentative memorandum of agreement/contract ratification if the Board member has an immediate family who is a member of the bargaining unit, professional association and/or union within the school district. Under this circumstance, the Board member may only vote in the event the school Board attorney advises the Board the Doctrine of Necessity must be invoked in accordance with Policy No. 0163.

In addition, the School Ethics Commission Decision A16-00 states a Board member may not participate in any aspect of negotiations and/or vote to approve/ratify a tentative memorandum of agreement/contract ratification if the Board member has a "relative" who is a member of the bargaining unit, professional association and/or union within the school district. Under this circumstance, the Board member may only vote in the event the school Board attorney advises the Board the Doctrine of Necessity must be invoked in accordance with Policy No. 0163.

0177 PROFESSIONAL SERVICES

In accordance with N.J.A.C. 6A:23A-5.2, the Board of Education adopts this Policy and its strategies to minimize the cost of professional services.

The Board of Education will establish annually prior to budget preparation a maximum dollar limit for each type of professional service. In the event it becomes necessary to exceed the established maximum dollar limit for the professional services, the Superintendent of Schools shall recommend to the Board of Education an increase in the maximum dollar amount. Any increase in the maximum dollar amount shall require formal Board action.

Contracts for professional services will be issued by the Board in a deliberative and efficient manner that ensures the district receives the highest quality services at a fair and competitive price or through a shared service arrangement. This may include, but is not limited to, issuance of such contracts through a Request for Proposals (RFP) based on cost and other specified factors or other comparable processes. Contracts for professional services shall be limited to non-recurring or specialized work for which the district does not possess adequate in-house resources or in-house expertise to conduct.

Nothing in this Policy or N.J.A.C. 6A:23A-5.2 shall preclude the Board from complying with the requirements of any statute, administrative code, or regulation for the award of professional services contracts.
