Dear requester,

The police department reviewed your OPRA request dated July 10, 2025.

The requested material requires redaction in accordance with the law. The custodian anticipates preparation of these materials will require 22.5 hours of redaction time for the Body Worn Camera and Dash Cam footage you requested. This process requires specialized software and the department has only one employee who can perform the task.

Accordingly, the custodian requires a special service fee to complete the request. The cost would be 22.5 hours at \$28.00 an hour for a total approximate cost of \$630.00.

Should you wish to proceed, kindly contact the Municipal Clerk to make arrangements for payment so we may prepare the responsive materials.

Stafford Township remains committed to providing access to government records in accordance with the law. Should you wish to modify your request to avoid the need for a special service charge in a manner which would still satisfy your inquiry, please contact Lt. Fessler via phone call or email to discuss some options.

If we do not receive a response within 30 days, this OPRA request will be deemed closed. Please do not hesitate to contact me should you have any questions or concerns.

Sincerely,

Lt. Stephen Fessler
