Narrative

Phone Call; 2 Cedar St

I (Patrolman Manata #294) received a phone call from (Naomi Morrow) who stated a female subject(Ashely Thrissht) allegedly spoke with (James Newkirk) about the horses. Allegedly, James stated to Ashely that property owner (Albert Canka) is the one that took the horses due to Naomi not paying. Until Naomi pays, he will give back the other four horses. I asked Naomi if she has proof of this conversation stating that Albert said this. Naomi stated she does not but was texting this person(Leigh Griffith) about the conversation. Naomi is sending the messages to my email and will be attached to the report. Detective Leonard #283 and Sgt. Schaal #266 will be notified of the additional information. I was clear from the phone call with no further information.

It should be noted, I asked Naomi over email for the number of Ashely and Leigh to contact them. Naomi has not responded to my email and will be updated once received
