Re: OPRA Request No. 052223-1

Dear Patrick Duff:

Stockton University's Open Public Records Act (OPRA) Custodian received your OPRA Request on May 22, 2023. The University was closed on May 29, 2023 in observance of Memorial Day, consequently the seven (7) business day deadline to respond to your request is June 1, 2023.

Your OPRA Request sought access to the following:

This is a request for public records made under OPRA and the common law right of access. I am not required to fill out an official form. Please acknowledge receipt of this message.

Records requested:

All costs to defend lawsuits filed by Patrick Duff.

By subsequent correspondence, you amended the request as follows:

Please also include all cost to defend the GRC complaint filed by Patrick Duff.

Your request requires additional time to respond as the University continues its search for responsive records. OPRA allows custodians extensions of time pursuant to N.J.S.A. 47:1A-5.i. Specifically, OPRA states that, "the requestor shall be advised by the custodian when the record can be made available. If the record is not made available by that time, access shall be deemed denied."

Your request requires an extension of an additional 10 business days to respond, i.e., until June 15, 2023.

The University expects to respond by the required date. If the response cannot be made available by the above stated date, you will be advised in writing, along with the reason(s) therefor.

Sincerely,

A handwritten signature in cursive script that reads "Ellen Bailey".
