Dear Mr. Duff,

I am in receipt of your OPRA request of April 12, 2022 as follows:

“Please provide me with the dash cam and body cam footage for all of the traffic stops made for both the second officer seen and heard in the last video sent as well as the same for Officer Cicale for their entire shift from the 26th through the 27th of March.”

Due to the volume of records and staffing shortages, the Township requires an extension of time up to and including May 13, 2022 for review and redaction.

If you believe that our response does not comply with existing law, you have the right to bring an action in the Superior Court of New Jersey, or to appeal to the Government Records Council. The Council can be reached at (609) 633-6337 or by mail at PO Box 819, Trenton, New Jersey 08625.

Sincerely,

Lisa A. Passione  
Municipal Clerk
