Dear **Make Noise**,

The Toms River Regional School District ("District") received your Open Public Records Act (OPRA) request dated and received on **October 21, 2020**. As such, the seven (7) business day deadline to your request is **October 30, 2020**. This response to your request is being provided to you on the **7th** business day after the custodian's receipt of said request.

In response to your OPRA request, in which you requested the following:

All electronic communication to and from Robert Onofrietti including the key work "Twitter" and/or "Tweet" during his tenure as President of the Toms River Regional Schools Board of Education.

The District has conducted a search and as a result has identified approximately **25 email** records which may be responsive to your request which total approximately **125** pages. Please see the attached.

Sincerely,

Helena Gregitis
