This response is being provided on the 6th business day.

Good afternoon,

The Wall Township Board of Education is in receipt of your emailed request of July 22, 2026, wherein you requested record as follows:

“Records requested:

I am requesting a full list of all employed persons, both paid and not paid by the wall township school district. Please organize alphabetically and then by school, including central office, and administration. Please include salary, which building they are employed in, and the year they started.”

Attached please find 20 pages of government records that are responsive to your request. Please be advised that the OPRA Request report that is available through the District's software does not include locations; OPRA does not require public entities to create records not already in existence,

If your request for access to a government record has been denied or unfilled within the seven (7) business days required by law, you have a right to challenge the decision by the Wall Township Board of Education to deny access. At your option, you may either institute a proceeding in the Superior Court of New Jersey or file a complaint with the Government Records Council (GRC) by completing the Denial of Access Complaint Form. You may contact the GRC by toll-free telephone at 866-850-0511, by mail at P.O. Box 819, Trenton, NJ 08625, be-mail at grc@dca.state.nj.us, or at their web site at www.state.nj.us/grc. The GRC can also answer other questions about the law. All questions regarding complaints filed in Superior Court should be directed to the Court Clerk in your County.

Sincerely,

Brian J. Smyth
