Subject: OPRA #172 OPRA request - All info related to cranbury war, military memorial

Hi Sally and Jerry,

Below please find an OPRA request received today. The deadline for the Clerk's Office to respond to the requestor is Wednesday, November 23rd. Please provide the requested records to me no later than Tuesday, November 22nd.

In your response, along with requested records, please advise me if there are archived records as the request states "any and all". If so, provide me with the total number of boxes and the cost to retrieve. I will alert the requestor to any costs associated with the OPRA.

Work with your board/department secretary to assist you in providing me with the requested records.

Thank you,

Hi Bob,

I wanted to pass this information along to you from this morning's Park's Meeting. The TC reported at their meeting on 10/25 that Catherine Manley requested that two names be included on the War Memorial in Memorial Park. They are Milt Fischer and Jim Manley. They both served in the Beirut/Lebanon Conflict in 1958. According to the TC, the Parks Commission has criteria and process from Vietnam-era names added a few years ago. I believe that Mr. Weidner worked on this with Bob Briggs. Thank you for agreeing to work with Bobs Griggs on this new request.

Sincerely,
Joann

It came up last night that the flag is not lit at Memorial park, yet we keep it up all night. Honestly, I never noticed.

Can we look at getting it lit in next years budget? I think the cost would be small, but it should be done if we don't take it down.

Thanks.

Tom,

I have no objections to the release you put together. It was my understanding from our last meeting that you were discussing putting this out in multiple publications actively seeking more candidates because something Jay was quoted as saying in the Cranbury Press. I didn't read anything in the Press article like that and am of the opinion the simpler we keep the process the better. This can easily be accomplished by only posting the release on the website and giving the Press the release as a follow up too.

Kind regards,
Adam

Subject: Re: Vietnam Memorial Criteria

Adam,

I'm not sure I understand the objection. Paragraph 1 simply states we're accepting submissions and then lists the criteria the same as are in the Press article. Par.2 similarly is mainly taken from the criteria. The only addition is the part on the DD form and substantiation if unavailable. The DD form is the simplest way to confirm meeting the criteria. But it's possible some won't have it, and we want them to document as much as they can for two reasons. First, I want to avoid us having to decide if someone is/is not telling the truth. Second, we're on a tight timetable and I don't want to have to track down documentation from them after March 4. I would not simply do a link to the Press article.

The four names have been added to the monument. They are Marcella E. Moody, Ralph L. Taylor, Jr., David W. Thomas, and Ronald P. Konvit. The new names look very good and fit in well on the monument. We had anticipated that they would be announced immediately after the Memorial Day parade by the Mayor or someone else. In light of the cancellation of the parade, we don't know what will take place on Memorial Day. Do you have any thoughts on how you/the TC would like to proceed? Bob,
I just spoke with Doug Sutphen who was at the site as we spoke. He can't put two names each at the bottom of columns 1 and 3. He said it was too risky that the stone might crack by adding two names so close to the edge. He suggested one name at the bottom of Column 1, 2 names at the top of Column 3 and one at the bottom of Column 3. In other words, one each at the bottom of Columns 1 and 3 and two at the top of Column 3 to replace the two that would have been at the bottom of 1 and 3.

As to which names should be where, I suggest Marcella E. Moody at the bottom of Column 1 b/c she has two brothers at the top of Column 2 and it makes her name seem more in regular order. Ralph L. Taylor, Jr. and David W. Thomas would go at the top of column 3 and Ronald E. Konvit at the bottom of Column 3. Taylor and Thomas would be close to Ss and Ts and Konvit would be immediately below an H. Alternatively, you could put Konvit and Taylor at the top of column 3 and Thomas at the bottom. I prefer Taylor and Thomas at the top and Konvit at the

bottom b/c they appear to fit more closely
alphabetically than the other arrangement.

What are your thoughts and/or do you have any other suggestions? Once we get this to Doug, he'll prepare a drawing for us to approve and then when we give the go-ahead, he'll start the additions.

tom

PS to Barbara and Sally: Do you have any other thoughts? Barbara: after we get the drawings and estimate from Doug (I understand we've been authorized in the budget to spend \$2,000 on this) , can we authorize him to go ahead if he's at or less than \$2,000? We're trying to get this done by May 1 (allowing for possible slippage of our timetable) so the quicker turn-around, the better. Thanks for all your support.

Bob,

I got a call from Russ Forman who advised me of further ties to Cranbury. He lived in Cranbury on Ancil Davison Road til he was 3 years old, and then on Plainsboro Rd. for 1 year. His family moved to Monroe (Half Acre Road) and he attended Monroe Grammar School (and then Hightstown High School). His father was manager of the local American Legion team for decades, but it comprised Hightstown, Monroe and Cranbury, as I recall. His father was a local contractor and Russ worked for him to build the Cranbury Bank and First Constitution Bank. Although I am sympathetic to Russ, especially since he served in Vietnam and his family was well known in Cranbury, I don't see this changing our decision (I reported most of this this morning). Unless you disagree, I'd leave this where it is and report this second conversation next month.

Hi Barbara,

Following up on today's meeting, the following are the names to be added to the Vietnam Memorial:

Ronald Paul Konvit	X		X	X	Yes
Marcella Elizabeth Moody	X	N/A	X	X	Yes
Ralph Leroy Taylor, Jr.	X	N/A	X	X	Yes

David William Thomas	No Info	X - Confirmed by Eileen McGillian in her email of March 10, 2020 and Audrey Smith in her conversation with Tom Weidner	X	X	Yes
----------------------	---------	--	---	---	-----

The timeline had us getting the names to Doug Sutphen will do the engraving by March 16. The engraving is proposed to be completed by May 1 before the Memorial Day Celebration on May 25.

Any questions, please let me know.

Welcome back! Could you please post the Notice you did for additional Vietnam veterans on the Township website? If it's going to be a link and we need a headline, perhaps "Vietnam era veterans additions to Memorial Park monument:Deadline March 4,2020". If Barbara or someone else has a suggestion for the headline, I'm amenable to suggestions.

Nancy,

We thank Ron for his service to our country and bravery in flying for the US Navy for 5 years. Jean is correct that the criteria, among other items, is for people who lived in Cranbury at or about the time they enlisted in the Armed Forces. So Ron would not be eligible for inclusion on Cranbury's monument for Vietnam era veterans based on your email. However, we remain most appreciative of his service to our country.

Hi Nancy,

I do not believe so. His DD214 would show Cranbury listed as the "Place of Entry Into Current Active Service," (s)he must demonstrate, e.g., "substantial and substantiated ties to Cranbury prior to their entry into active service in the Armed Forces."

I am copying Tom Weidner in case I am mistaken as he has done all the research on this.

Tom – please get back to Mrs. Witt if I am not correct.

Andrew,

I apologize for not having answered your email sooner. The Township Committee is responsible for the approval of the bluestone walkway project. However, thus far the New Jersey Civil War History Association ("NJCWhA", which is erecting the monument) and the Cranbury Historical and Preservation Society ("CHPS") have submitted/reviewed plans for the project, and submitted them to the Parks Commission (of which I'm chair). The Parks Commission then makes recommendations to the Township Committee for its action. There is no approved specific design for the walkway, although the NJCWhA has submitted a schematic for the entire area. The Parks Commission recommended that the walkway be made of bluestone, similar to the bluestone nearby to the stone denoting the bank plantings. I would be happy to sit down with you and go through all the information we've reviewed as well as meet you at the site to show you what's going on.

I think the best way for you to proceed after we meet/talk is to submit what you plan to do to the NJCWhA (Bob Bisaccio) and the CHPS (Audrey Smith), with a copy to me, Jay Taylor (the Township Committeeman who is the liaison for Parks), and Jerry Thorne (Head of Public Works). We've already discussed the basic parameters of the walkway and we should be able to provide reasonably quick feedback. For your information, the Parks Commission meets on the second Wednesday of every month and the Township Committee on the second and fourth Mondays of the month. As I've previously indicated, the dedication is scheduled for June 11, 2011 and therefore the walkway (and monument) should be done well before that. We are very pleased that you are considering doing this project and we look forward to working together to see it become a reality.

We're all looking forward to your Eagle Scout project, your desire to install the Civil War monument walkway, and its completion over the next several months. Could you please give us your best estimate of a timeline to complete the project with interim dates so we can keep track of your progress? For example, you may want to choose the completion date as April 1 or May 1 (depending on how certain that date is) with interim dates for Scout approval of your project, submission of plans to the Cranbury Historical and Preservation Society and the New Jersey Civil War History Association (and the Parks Commission/Township Committee), completion of fundraising, and start of construction. Let me know if you have any questions. We look forward to working with you on this worthwhile project.

Tom,
Happy New Year.

Now that we are "recovering" from Holiday festivities, it probably would be a good time to have a progress meeting to see if we are all on target for June 11. The NJCWA will very shortly be signing agreements for the Monument and the Band. Those are the big items. But we have many small tasks that will need to be done to ensure that this day, will be a day to remember. Can you please reach out to the Township folks and provide the Committee with some dates for a January meeting? A Friday evening would work well for those members who work during the day.
Thanks Tom, will talk to you soon. Regards, Bob

Mr. Thorne,

My name is Andrew Zysk, and I will be constructing the bluestone walkway leading to the future Civil War monument in Memorial Park as my Eagle Scout Project. I was given your name by Mr. Tom Weidner and Mr. Jay Taylor. I understand that you have the knowledge and experience for constructing this public walkway, and I hope you are willing to advise me during my project. My first question to you is in regards to the type of stone, and if you know the best place to buy it from. I've been told "bluestone", but the type of stone used should be of the same or similar type of stone used by the riverbank in Memorial Park.

The dedication of the monument is scheduled for June 11 of this year, so I must have my project completed in advance of that day. Hopefully, I will have it finished in April or May.

You're right, the meeting is February 18, this Friday, currently at 6 p.m. (I just sent an email to see if 5:30 p.m. is ok for people; let me know if it is for you and I'll let you know the result). I assume the NJ Civil War History Assoc and the Cranbury Historical Society will want input from you concerning a timeline to do the project (tentative dates for initial plans, Scout approval, end of fundraising, start and end of construction) and what you plan to do. Initially, the Parks Commission thought that bluestone similar to the bluestone to the adjacent bank planting sign would be desirable. I'll try to have some feedback for you before Friday on that. I assume the participants at the meeting may offer input as well. Please feel free to call me (395-1288) before the meeting if you'd like to talk about this. Thanks for undertaking this very worthwhile project.

Andrew,

Let me send your email to Jay Taylor and get his thoughts. We may want more people there e.g., Audrey Smith and Bob Bisaccio, or at least let them know the result before it becomes "final". I'll get back to you soon. Thanks again for volunteering for this.

I'll be happy to be there for the staking out, if it's after school hours.

Hi Jerry,
Would you be willing to arrange for and get from the school the 70 chairs that are needed for June 11? I think that would be a better job for the Township than the Society because of transporting them. I hope that's OK with you. Please let me know.
Thanks,

Dear All,

I think it would be a good idea for all of us to meet to discuss the various tasks Bob Bisaccio would like us to accomplish and to establish our own priorities to make sure this event goes as we want. It likely will go that way anyway, but it would be good if we can talk among ourselves to make certain. I'm pretty good day, night or weekends the next two weeks except this Friday and Saturday nights, this Saturday morning, and the evening of March 8. Please let me know if you think a meeting would be productive and when you are NOT available through March 13. I'm out of town from March 13-24. Thanks.

Committee,

For the benefit of those who could not make last weeks meeting, I thought I'd run through some of the agenda items. First and foremost, I think we can all agree that we are in very good shape. Every item that we have identified has been addressed and is in motion. I'm sure there will be area's that we may have missed, but we will be on site starting June 10 and will address last minute items as they come up.

I'd like to run through run through the agenda list as we covered it last week.

The Monument is expected for delivery the last week of April. Roger is coordinating Andrew is ready to spring into action as soon as it arrives to begin the walkway. He will have some guidance from a local landscape supplier. (I don't recall his name)

Jay reports that the Township has reached out to all Governmental entities, and coordinated with Police and Fire Dept.

Tom Burke has touched base with reenacting groups that have expressed an interest in attending. Reenactors will be permitted to begin arrival and set up camp on Friday on the area adjacent to the Historic House on Main Street. We will need to have fire pits inspected by the Township prior to starting camp fires. Suggestion, we keep camp fires towards the middle of the site. (Doug Mount, as Quartermaster we will need your help in setting up camp parameters sometime on Friday if possible with area markings, such as we do when we attend an event.

Invitation of descendants, NJCWA will be doing a mailing of the flyer, invitation and Cranbury history page.

The Event Tent appears to be settled with the local funeral home donating and setting up one or two tents. Jay will be getting the dimensions. If the coverage does not serve our needs we will have to rent a tent. This item may not yet resolved.

.Refreshments will be provided by the Historical Society, snacks, cookies, drinks. Audrey reported on what is being planned. The Fire Dept. will be selling hot dogs and hamburgers.

Parking for Reenactors will be adjacent to the Historic House, can't get much closer than that !

.Audrey showed the Committee the design of the Ribbon/Button. They look great. All invited guests and reenactors will receive one. (100 were ordered by the Historical Society)

We agreed that a second printing will be necessary of the flyer with a few minor additions to the content. (Tom Burke will arrange printing)

Designing the Program, Jerry gave Roger a CD with archival images of 14th N.J. and N.J. soldiers, reunions, gatherings etc. which will be incorporated into the design. Tom Weidner presented a historical introduction which was prepared by Rutgers history professor to be used in the program. The program design will be handled by Tom Burke , Roger and myself, with input from the Historical Society, and reviewed by the Committee.

Media and advertising is underway as we know. June 10 NJNetwork will be setting up some time to report on the event. They are expected to call me with the particulars. We will be on site that day in uniform/ civilian impression, NJCWAHA members will be encouraged to mingle, as the shoot takes place. Doug, we will need our colors. When the Monument arrives at the end of the month, Roger, myself and members who want to be present for the viewing will be in uniform or civilian attire for press coverage.

I know I left out some items, but I think I've covered the main area's. Please contribute your thoughts if something was left out, as I will add it to the hit list of "To Do" items.

The excitement continues to grow, not just for the Committee, but for the Township and its residents. We concluded that we would like to have our next meeting before the Allaire Event, tentative, second week in May.

After Easter weekend, I will check with your calendars and select some dates for your consideration.
Regards to all, Bob

Doug Sutphen, Jerry Thorne, Andrew Zisk, Eileen Zisk and I met at Memorial Park and Doug marked the precise spot where the monument will go. It is essentially the same as Jerry's markings. Doug will set the foundation tomorrow or Friday and hopes to install the monument next week. Thanks to Jerry for being there b/c he and Doug (and Andrew) talked about the mechanics of the work to be done.

Committee and Friends,
Yesterday was a great day. A day full of personal emotions, a day for those New Jersey Veterans who left behind there families and homes 150 years ago. Many never returning. A great day for the Town of Cranbury and for all re- enactors. I'd like to personally thank Roger/Sue/little Granddaughter Jackie, Tom Burke, Mike Horgan, Jerry Peverhouse and Jerry Thorne, who attended and witnessed history in the making. The Sutphin crew were excellent and real pro's. Everything came off without a hitch. I couldn't be happier.

So now the waiting begins, and with much anticipation. Photo's from yesterday will follow, but I can tell you now, that it is an impressive memorial, in a perfect location, and will receive the proper exposure it so richly deserves.

I am planning one more Committee meeting in May. How does Friday May 20 between 5:30-6:00 work for everybody? This will be a final tune up to go over all agenda items.

Andrew you are now ready to begin your project. Good luck, we all know that your efforts will provide the finishing touches and further enhance the project area. Keep us informed on your progress.

And to all Committee Members and participants behind the scenes, Thank You for all that you "bring to the table". Have a Wonderful Holiday Week. Bob

I think we have everything organized. We would like to offer a walking tour of Cranbury for up to 20 that afternoon. It will originate at the History Center. Anyone interested can gather there at 2 p.m. It can be mentioned in the insert in the program, along with the Museum being open, 1-4 p.m. Thanks for all your great work!

Subject: The Monument Arrives !

Committee and Friends,
Yesterday was a great day. A day full of personal emotions, a day for those New Jersey Veterans who left behind there families and homes 150 years ago. Many never returning. A great day for the Town of Cranbury and for all re- enactors.
I'd like to personally thank Roger/Sue/little Granddaughter Jackie, Tom Burke, Mike Horgan, Jerry Peverhouse and Jerry Thorne., who attended and witnessed history in the making. The Sutphin crew were excellent and real pro's. Everything came off without a hitch. I couldn't be happier.

So now the waiting begins, and with much anticipation. Photo's from yesterday will follow, but I can tell you now, that it is an impressive memorial, in a perfect location, and will receive the proper exposure it so richly deserves.

I am planning one more Committee meeting in May. How does Friday May 20 between 5:30-6:00 work for everybody? This will be a final tune up to go over all agenda items.

Andrew you are now ready to begin your project. Good luck, we all Know that your efforts will provide the finishing touches and further enhance the project area. Keep us informed on your progress.

And to all Committee Members and participants behind the scenes, Thank You for all that you "bring to the table". Have a Wonderful Holiday Week. Bob

Mr. Conley,

I know that Saturday is a busy Scout day. I hope scouts will come out to help with the walkway as this project is weather-dependent and the dedication date is only a few weeks away.

Could you please send this to the troop?

"Andrew Zysk will be having an Eagle Scout Project Work Session for the Civil War Monument Walkway in Memorial Park by the firehouse, from 1 PM - 3 PM on Saturday, May 7. Please bring work gloves. Refreshments will be provided."

Thanks,
Andrew Zysk

Subject: Andrew Zysk Eagle Scout Project Monument Walkway

Hi Mr. Thorne,

Last Saturday I dug out the walkway with my fellow scouts. I did not dig out all the way to the monument base, but I will at the next work session on this coming Saturday, May 7, when we lay down the recycled concrete. I have called Mr. Stasi several times and left messages, as he offered to take me to K and A South Brunswick to purchase the recycled concrete and stone dust.

If it turns out Mr. Stasi can not help with the delivery, would one of your trucks be available?

Please let me know if you have any suggestions about how the work is coming along.

Thanks,

Andrew Zysk

Can you stop down sometime in the morning Saturday so that we can get a plan together, because we get done at work at 3:30. You can call me 732-278-8004 anytime after 7am when we start working. The earlier the better so we can give you more help on the project.

Dear Audrey Smith,
The following is my heart felt opinion which I hope the Society and the New Jersey Civil War Association will give some credence.
The Civil War, tragic as it may be, is still (paradoxically) one of the greatest event in America's history. It is also certainly among the greatest events in the world if one considers the fact that it heralded into being a rebirth of our republic with its feet firmly based on the universal freedom of all its citizens.
There is simply no evidence of this great history (what so ever) in the inscription proposed for this monument. Thus making it appear that we are still unable to say, clearly and proudly, what these men stood for after 150 years have past. In contrast our forbearers were able to face the truth after 95 years of our republic's existence. What does this say about us? Are we deserving of these honorable men, who fought and died for this great cause? Is it not up to us to give voice to these men who did not have the chance to speak for themselves and their cause?
I don't believe it is too much to ask of us, that this monument speak to their sacrifice and more importantly to their cause. Thanks for the opportunity to share my perspective with you and your organization.
Very best regards
Bruce A. McLeod
PS. Please feel free to pass this on to the New Jersey Civil War Association.

Not sure if this person is condemning or praising the monument? The inscription on the monument is very simple. But then, a memorial should not be a political statement.

My research into local Civil War activities and attitudes clearly showed slavery to be the fundamental difference of opinion between the Northern and Southern states. The history of the war has since been rewritten, redefined, distorted and politicized. A monument to those who sacrificed their lives should be a personal recognition of their sacrifice and no more.

The language on the front of the monument was borrowed from Lincoln's Gettysburg address which speaks directly on equality and the rebirth of freedom. I believe that the message is simple and clear. At one point, we considered putting A. Lincoln's name on the monument, but in the end, decided as Jerry states, to make the monument a simple recognition of personal sacrifice. We cannot say today what motivated those who volunteered to serve.

PS We purposely left space on the back of the monument to add another sentence, if in the end, we feel that it is appropriate to do so.

Roger

Dear All,

I agree with Jerry. There are two other thoughts I have. First, what inscription would he want on the monument? It's easy to criticize; it's harder to provide a solution. Second, the monument now in the Presbyterian cemetery, first erected immediately after the Civil War around 1866, simply provides :

"1861
Soldiers Monument
1865"

on one side and:

"Honor to the Brave
Who Died for Their Country"

on the other side. There are also the names, companies and date of death for the 70 or so soldiers who died for their country. Thus, I don't know what Mr. McLeod means when he says "our forbearers were able to face the truth after 95 years of our republic's existence" that we can't face now. In fact, our inscription is very similar to what our forbearers said 150 years ago. Our inscription is short, concise, moving and very much in keeping with what our ancestors believed and said immediately after the Civil War.

Not sure if this person is condemning or praising the monument? The inscription on the monument is very simple. But then, a memorial should not be a political statement. My research into local Civil War activities and attitudes clearly showed slavery to be the fundamental difference of opinion between the Northern and Southern states. The history of the war has since been rewritten, redefined, distorted and politicized. A monument to those who sacrificed their lives should be a personal recognition of their sacrifice and no more.

Dear Audrey Smith,

The following is my heart felt opinion which I hope the Society and the New Jersey Civil War Association will give some credence.

The Civil War, tragic as it may be, is still (paradoxically) one of the greatest event in America's history. It is also certainly among the greatest events in the world if one considers the fact that it heralded into being a rebirth of our republic with its feet firmly based on the universal freedom of all its citizens.

There is simply no evidence of this great history (what so ever) in the inscription proposed for this monument. Thus making it appear that we are still unable to say, clearly and proudly, what these men stood for after 150 years have past. In contrast our forbearers were able to face the truth after 95 years of our republic's existence. What does this say about us? Are we deserving of these honorable men, who fought and died for this great cause? Is it not up to us to give voice to these men who did not have the chance to speak for themselves and their cause?

I don't believe it is too much to ask of us, that this monument speak to their sacrifice and more importantly to their cause.

Thanks for the opportunity to share my perspective with you and your organization.

Very best regards

Bruce A. McLeod

PS. Please feel free to pass this on to the New Jersey Civil War Association.

Cranbury Civil War Monument Dedication

June 11, 2011 at 11:00AM
Donated to the people of Cranbury
by the

New Jersey
Civil War History
Association, Inc.
14th NJ Volunteers, Co. H

Cranbury's Volunteers in the Civil War

From the first call for volunteers in 1861 through the end of the war, Cranbury and adjoining rural communities contributed hundreds of volunteers to over a dozen New Jersey Volunteer regiments. These men fought in almost every campaign during the war, including famous battles at Gettysburg, Manassas, Fredericksburg, Petersburg, Fort Wagner, Cold Harbor, Winchester and the Wilderness campaign.

Cranbury resident Robert D Silvers of the 5th NJ Volunteers fought in 22 battles, was wounded three times and was one of only 5 original men of his company to survive the war. He won the Silver Star medal for his service.

Abolitionist Reverend Joseph Gaston Symmes made significant contributions toward encouraging and supporting local volunteers and their families. His efforts toward the welfare of the troops were unmatched. Immediately after the war Reverend Symmes supervised the construction of Cranbury's monument to it's Civil War dead, which is now

located in Brainerd Cemetery behind the First Presbyterian Church on South Main Street.

Speaking during the dedication of the monument in 1866, Rev. Symmes noted that the 14th Regiment New Jersey Volunteers had suffered the most casualties of any local Regiment, particularly Company H which had been formed in Cranbury during August of 1862.

The courage and personal sacrifice of local volunteers and citizens made a significant contribution to a war which would reunite and assure the future of this country. 14th Regiment Private Alfred Carman expressed the sentiments of the volunteers "But if ever we get engaged with the enemy I hope the 14th will not be the means of bringing shame on our little home New Jersey, but that we may have a laurel among the many that have gone forth from hither." Less than one month later Alfred was dead from a gunshot wound.

I just looked at the original reunion ribbon for the 14th NJ. It bears the symbols of both the 3rd Div., 3rd Corps and the 3rd Div. 6th Corps. the Monocacy Monument also bears both Corp badges. I think that our logo on the front cover should also have both Corp symbols. Thoughts?

Roger,

Two things, I looked for a JPEG of the corps badge configuration and came up empty. Tried to create my own version with no luck. If you can come up with the graphic of the 3rd division, 3rd-6th badges together, I'd be happy to try and work it in. The blue on blue badges are also confusing to the eye to discern what you are looking at; JMHO. No problem to add Monocacy to the battle honors and include Beck's Band to the "Special Thanks" page.

Please let me know ASAP how to continue as Bob has asked me to have 6 covers printed to be framed as gifts.

Here is the finalized program for the Cranbury Monument dedication. Please familiarize yourselves with the format and timing of the event. When you arrive, please check in at the History Center located at 6 S. Main Street, Cranbury, so that we know that you're here. Space will be available for you to set-up and sell books for after the dedication. Main Street will close to traffic at 10:00am, so please plan on arriving before then. Limited parking is available at the adjacent firehouse lot, on a first come/first serve basis.

Thank You!

The encampment area will be open on Friday for members and friends to set up and spend the night if they wish. A number of members are planning to do so. If you are planning to spend the night, let Doug Mount know, he is responsible for laying out the camp. He will be spending the night there. Our newest member, Peter, wants to spend the night, but has no tent, bedding etc yet. Bob, will the latrines be delivered on Friday? Roger

PS an email will go out to all members on Wed.

We'll need both flys up, one for the decendents and one for the authors. The author table will have Dr David Martin, Bernard Olsen, Tom Burke, Mike Horgan and Jerry Pevahouse. Do we have a volunteer to get name plaques to place in front of them on the table? Roger

I am happy to help anyway needed Saturday. Audry and I met with the Cranbury Press reporter today at the museum. They plan an article about the Civil War exhibit for this weeks edition. We gave him information about the dedication Saturday. The timing is excellent for the article. I'm sure attendance will be good for the event Saturday.

The encampment area will be open on Friday for members and friends to set up and spend the night if they wish. A number of members are planning to do so. If you are planning to spend the night, let Doug Mount know, he is responsible for laying out the camp. He will be spending the night there. Our newest member, Peter, wants to spend the night, but has no tent, bedding etc yet. Bob, will the latrines be delivered on Friday? Roger

PS an email will go out to all members on Wed.

Committee members;

We'll need both flys up, one for the decendents and one for the authors. The author table will have Dr David Martin, Bernard Olsen, Tom Burke, Mike Horgan and Jerry Pevahouse. Do we have a volunteer to get name plaques to place in front of them on the table? Roger

I am happy to help anyway needed Saturday. Audry and I met with the Cranbury Press reporter today at the museum. They plan an article about the Civil War exhibit for this weeks edition. We gave him information about the dedication Saturday. The timing is excellent for the article. I'm sure attendance will be good for the event Saturday.

Jerry, would you mind unveiling the monument with Bob during the dedication? Also, we would be honored if you would sit at the author's table after the ceremony is concluded. Roger

Bob,

I had lunch with Julio from the Civil War News today. He asked me what was new, so I told him about the monument dedication. Later, I submitted photos, a link to the Patch's article and a short write-up to him. He doubts that it will make the July deadline for submissions but said to look for it in the August edition.

Committee,

Now that History has been made, and we have all had a chance to digest what just took place, I would like to thank each of you for what we have done as a group over the last two years. I can say without hesitation, that this was the finest moment for the NJCWA. As one of our members remarked, it was all "over so quickly."

I have sorted this out in my mind and feel a void, now that it is over. But we truly have done something very special.

If only Washington could run this smoothly..... I'll end on that note. Thank you again, Bob

Bob,
Thank you and the NJ Civil War History Assoc. for initiating a great event and erecting a terrific monument. I learned a lot about Civil War history in New Jersey and especially this area and thank all of you who also participated (the Historic Society (especially Audrey and Jerry), the Boy Scouts (especially Andrew and his family), Jay and the township, and many, many others). The ceremony was on point, on time and very moving. Thanks to you all!

I have also been past the monument a few times since the dedication, to all, a job well done! I also noticed when driving past Cranbury on Rt. 130, if you look down the lake to the west, the monument really stands out from a distance! Any chance of getting a solar powered light to shine on it at night?
