Carlo,

It appears that you submitted your original request of 9/8/23. On that day you would have received an out of office attendant reply to forward OPRA requests to a different email or your request would not be handled. It doesn't appear that you forwarded it as requested. Therefore, we will assign a tracking number today and send this out with a request that they try to expedite a response. Regardless, your estimated due date is now 9/29/23.
