Good Morning [REDACTED]

The parking permit application is on the Borough website, print out to see if you qualify for the permit.

Does your car have a NJ tag on it ,if not we cannot issue permits for a different state.

If you do not have room in driveway or no driveway is available and you have a New Jersey tag I don't foresee a problem as long as you provide the lease .

I also have an exceptional list I can put you on until you work out the kinks.

Hopefully this helps with any questions.

Good morning,

I am possibly moving into an apartment and would need a parking permit. My vehicle is registered to my parents and their house and cannot change it. will that cause an issue in getting a permit? Can i just show a lease? Thank you

We have only hired (1) class one here in Haddon Heights, usually we look to have Class 2's and will most likely be looking again sometime next year depending on the budget. Next time you are in Heights you can always drop off a resume and I will keep it in our file for when we are hiring.

Hi _____

You may have to just provide your vehicle plate number to the court and they should be able to look it up through that. I attached their number below. If they can't find it, send me your plate number and I will research it for you.

Howard/Dan,

Please review OPRA request attached filed by Mr. Duff. Regarding last item, I wanted to be sure I am able to ask our IT company to produce all responsive emails from all haddonhts.com addresses versus asking Mayor, Councilmembers and Dave Taraschi to provide. Mr. Duff provided a list of terms for all emails from Mayor, Councilmembers, myself, Dave Taraschi and Solicitor from 9-15-21 through 11-20-21. Thought it might be more efficient to get through IT company. Of course, I would make Mayor and Council aware I would be requesting all emails through IT. Police Department would provide their own. They have a different domain.

Please advise when you get a chance. Trying to make things easier for Mayor and Council.

Thank you.
