Re: 401 Gloucester Street, Englewood NJ 07631
Block 3702, Lot 11
Proposed Driveway and Garage Modifications

Dear Mr. Volcy:

As per your memo dated January 7, 2022, regarding the proposed driveway and garage modifications for the above-referenced property, enclosed is an original and one copy of the revised plans for the driveway and garage modifications, which removes the proposed inlet and 4" PVC drainage line connection. Please let me know if you have any questions or if you require any additional information. Thank you for your attention to this matter, and I look forward to hearing from you.

Sincerely,

Greg Haber
