NARRATIVE

On the date of July 4th, 2022 at approximately 14:22, Logan Patrols received a call of a noise complaint, from the resident of 58 Hancock. Upon arrival there was no music heard outside. Mr.Chernov invited me inside his residence so I could hear the noise coming from 56 Hancock. Once inside his residence I still could not hear any music coming from next door. Mr.Chernov then directed me to go to the corner of his residence so I could hear the music. Once in the corner I could faintly hear the music coming from next door.

I spoke with Ms. West of 56 Hancock and explained the issue at hand. I advised her that since the music wasn't being played loudly she would not be cited with the noise ordinance. It should be noted that both Ms. West and Mr. Chernov felt like Logan Township Police were playing favoritism with the both of them. I explained to them that we're doing our job and treating them both the same. Mr. Chernov stated that he was going to come in and speak to administration about this on going issue.

- Clear nothing further to report.
