COMMUNICATION

The following communication was read and upon MMS&C, by Councilmen Toth and Sitarz and unanimous affirmative vote of the full membership present, it was ordered to be received and placed on file:

Freeholder
Resolution
RE: Amending
of New Jersey
Code of
Criminal
Justice

RESOLUTION REQUESTING AMENDMENT TO NEW JERSEY CODE OF
CRIMINAL JUSTICE

WHEREAS, the State of New Jersey has adopted a code of Criminal Justice, N.J.S. 2C:1-1 et seq.; and

WHEREAS, this Code is to take effect September 1, 1979; and

WHEREAS, the Code generally provides that children of the age of thirteen (13) years of age and older are capable of informed consent to enter into various forms of sexual conduct initiated by members of society much older than they; and

WHEREAS, the Township Committee of the Township of Freehold is of the opinion that such a provision does not comport with reality and will contribute to unfair advantage being taken of children of tender age who possess neither the experience nor the maturity to intelligently and effectively deal with situations where they may be confronted by older members of society who for their own sexual gratification may attempt to persuade these children to engage in sexual conduct; and

WHEREAS, the Township Committee of the Township of Freehold is of the opinion that the age of informed consent to enter into sexual conduct should be increased above the age of thirteen (13) years;

NOW, THEREFORE, BE IT RESOLVED by the Township Committee of the Township of Freehold that the New Jersey Legislature and Governor are hereby requested to undertake the necessary steps in order to amend the New Jersey Code of Criminal Justice to provide for a more realistic age at which children are capable of informed consent to sexual conduct; and

BE IT FURTHER RESOLVED that a copy of this Resolution be forwarded to the Governor, members of the New Jersey State Legislature, Attorney General for the State of New Jersey, Prosecutor of the County of Monmouth, the New Jersey State Bar Association, the Monmouth County Bar Association, and the Freehold Township Chief of Police.

COMMUNICATION

I have just received a copy of the new permit and I have reviewed its contents and wish to alert you as to the changes and highlights of this new permit which became effective March 31, 1979 and which will expire March 31, 1984.

H. Thoms Carr
RE: National
Pollutant
Discharge
Elimination
System
1979
Permit

The bulk of the permit is substantially the same as the previous permit with the following exceptions:

1. Normal operation of the overflows and bypasses such as at Bernard Street, Roosevelt Avenue, Hayward, Cooke and the Sewerage Treatment Plant do not have to be reported under this new permit, however, when there is an unusual situation such as breakdown, power failures or bypasses occurring during dry weather periods, then a summary description of the discharge from the various points has to be submitted with the quarterly self-monitoring report currently being submitted.

2. The effluent limitations and monitoring and operational requirements have been changed to become even more strict since it is now required to have complete removal of settleable solids and, at the thirty day average quantity of effluent discharged from the plant, shall not exceed three million gallons per day. Further, the Borough cannot discharge wastewater from the six overflow or bypass locations previously cited during dry weather.

3. The Borough cannot allow the introduction of wastes into its treatment plant or system that are identified as prohibited wastes under Section 307 of the Act. Additional highlights in this vein indicate that any waste that has a pH lower than 5 cannot be discharged into the system unless the lines where it is discharged are specifically designed to accommodate such high acid wastes. There is no element of the system that I know that could handle that high acid level type waste.

4. Collected screenings, slurries or sludge must obviously be disposed of in a manner that will prevent them from entering the waters of the United States, except in accordance with a permit issued under the Section 405 of the Act. If for any reason, any of these materials should enter the waters of the United States, in essence the outfall of the plant, then the Borough must notify the E.P.A. within fourteen days as to: a) dates of occurrence; b) description of the non-complying discharges as to nature and volume; c) causes of non-compliance; d) steps taken to reduce and eliminate the non-complying discharge; and e) steps taken to prevent reoccurrence.

5. The required effluent limitations on the discharge from the plant have also been changed in some cases. The B.O.D. limitations are the same as the previous

permit, however, the minimum percent removal has now been stipulated to be 45% which indicates that the E.P.A. is relaxing its requirement for high B.O.D. removal on the local plants discharge. Relative to suspended solids, however, there is a distinct change in that the effluent can only have a concentration no higher than 55 mg/l on a thirty day average contrasted to the present 220 and only 82 mg/l on a seven day average as contrasted to the present 330. The minimum percent removal is 44% which is essentially the same as the present permit. This overall requirement of an increased removal of suspended solids means higher intensity use of the clarification process at the plant. The fecal coliform is also permitted within the same range as the existing permit except that it shall not exceed 800/100 ml on a six consecutive day geometric mean and no sample may contain any more than 2400/100 ml.

6. The self-monitoring requirements are increased to contain the present listings of parameters such as suspended solids, B.O.D., etc., but there is now the additional stipulation of monitoring, sampling and reporting on: a) chlorine demand; b) chemical oxygen demand; c) petroleum hydro-carbons; d) oil and grease; e) phenols; f) total cadmiums; g) total cyanides; and h) total mercury. The chlorine demand is required prior to chlorination in order to establish the chlorine demand, obviously. These additional tests will undoubtedly result in higher costs for the Borough for the laboratory analyses that will be made for the Borough during its course of compliance with this program.

7. There is also an inclusion of State Certified Requirement within this permit which is new and they reflect generally the Federal Requirements, but highlight the fact that there shall be year round disinfection required for all treated wastewater discharges, which in essence means chlorination of the plant discharge on a year round basis. This will result in increased chlorine costs to the Borough. Further, the Borough cannot violate I.S.C. regulations and must comply with the Middlesex County Section 208 Plan as well as the Facilities Plan recently developed for the Borough of Carteret and shall convey its flows to M.S.S.A. as soon as the facilities are operable.

8. The most important point is the schedule of compliance to attain required compliance with the effluent limitations which indicate:

- A) The Borough must sign a service agreement with M.C.S.A. within three months of approval of the Facility Plan.
- B) The Borough must submit plans and specs and a Step 3 Grant within twelve months following award of a Step 2 Grant. In other words, the plans and specs must be done by September 30, 1980.
- C) The Borough must initiate construction within 90 days of the award of a Step 3 Grant which is estimated to occur March 31, 1981.
- D) The Borough shall complete construction within 18 months after starting construction with an estimated completion construction date of September 30, 1982.

MAY 1, 1979

E) Within thirty days of the discontinuance of discharge the Borough shall notify the federal and state agencies.

F) "The permittee shall accept any grant offer within twenty-one days."

9. It is further stipulated that if at any time it is determined that Federal funding will not be available in time to assure compliance with this timetable by July 1, 1983, then this time extension shall be revoked by the regional administrator. What this means, in my opinion, is that if a Federal Grant is not made available to the Borough, the Borough must follow through with compliance with the Federal dictates regardless of the lack of federal monies. Quite obviously, this means that they are indicating that the Borough would have to carry its full tab on its own if this were the case.

10. The local industries will be required to provide additional discharge information in the form of qualitative and quantitative characteristics of its effluent on government forms. On the first day of April and October the Borough has to submit an update of this inventory of the local industries indicating any major changes in the qualitative or quantitative characteristics of the industrial discharges. If pretreatment of the industrial wastes is currently provided by any of the industries, this information has to also be forwarded.

That, basically speaking, are the highlights of the revised program and permit and, of course, have a tremendous impact on both the costs of operation of the system and on the potential problems of building the system with or without federal funds. The Facility Plan is still being reviewed by the federal government and we have supplied them with all of the information that they have asked in supplementary reviews and, hopefully, a final approval review will be forthcoming which will trigger this particular timetable listed herein. I will keep you informed of progress on this program.

SUBJECT: Daniel J. Tarrant - Extension of PSE
Position of Police Officer.

1. Reference your letter of April 10, regarding the above subject matter.

2. By way of background, the Middlesex County Board of Freeholders adopted a 24 month termination policy for all PSE participants in August of 1977. In September of 1978, in anticipation of Federal Regulations mandating an 18 month termination policy, MCCETA continued to utilize the 24 month policy and

CETA
RE: Extension
of Employment
Rejected

MAY 1, 1979

discontinued consideration of any extension thereof. The 18 month termination policy is now a reality for participants enrolled subsequent to April of 1978.

3. Daniel Tarrant became employed under PSE on May 18, 1977, is subject to the 24 month termination policy in effect at that time, and is therefore scheduled for termination effective May 31, 1979.

4. In your letter, it is stated that the Borough cannot appoint Mr. Tarrant as a permanent employee because of Civil Service. As you are aware, a hire commitment was the only basis upon which 90 day extensions were granted prior to establishment of the non-extension policy. In any event, it is not possible to grant any extension beyond the May 31 scheduled termination date.

5. In response to your question of the possibility of the participant filling the unexpired term of another, please be advised that lengths of participation are governed by individual enrollment and not by position. It is therefore not feasible to consider such an alternative.

6. At the end of April, both the Borough and Mr. Tarrant will receive written notification of the impending termination. At that time, Mr. Tarrant will be informed of the availability of job search assistance at the N.J. State Employment Service and will be given the opportunity to attend the next scheduled session for CETA participants not subject to hire by their employment agency.

7. If you have any further questions regarding this matter please contact Margaret V. Wilkins, Coordinator, PSE at 745-3958.

COMMUNICATION

Borough
Engineer
RE: Changes-
Roosevelt
Avenue-Leibig
Lane Project

The following communication was ordered to be received and placed on file, upon MMS&C, by Councilmen Umansky and Wilson and unanimous affirmative vote of the full membership present:

April 17, 1979
Re: Roosevelt Avenue at Leibig Lane

As of this date, I have authorized certain changes in the plans for the above project as described below.

Since the high pressure gas line along the easterly side of Roosevelt Avenue was revealed by the digging of test pits to be slightly closer to the proposed curb-line that had appeared from the utility markings, it was deemed prudent to recess the three storm inlets in this area to lie inside the curbline.

MAY 1, 1979

At the intersection of Roosevelt Avenue and Leibig Lane, numerous utility lines were discovered which had not been marked by the Location Service or brought to our attention in answer to our queries to the utility companies.

Some of these lines were discovered by digging test pits, which enabled use to revise the locations of certain pipes and inlets. Others, unfortunately, were found to obstructing the way when the contractor began to lay two pipelines; which made it necessary to abandon approximately 64 feet of pipe and revise the drainage design to avoid the obstructions.

Since work on the project had begun, and since it would have been costly to have the contractor stand by without the work progressing, I considered the situation an emergency and authorized the changes as described. I estimate that they will add from \$2,500 to \$3,000 to the cost of the project -- most of it because of the situation at Leibig Lane.

ORDINANCE
#79-6
Bond
Providing for
a Supplemental
Appropriation
for the
Construction
of the Police
Facility

Ordinance #79-6 was introduced and adopted upon first reading and the Clerk authorized and directed to advertise same for public hearing to be held May 15, 1979, upon WMS&C, by Councilmen Umansky and Sitarz. Upon individual roll call vote, Councilmen Sitarz, Sitarz, Toth, Umansky and Wilson voted in the affirmative. One Seat VACANT.

First Reading

ORDINANCE #79-6

BOND ORDINANCE PROVIDING A SUPPLEMENTAL APPROPRIATION FOR THE CONSTRUCTION OF A MUNICIPAL ADMINISTRATION BUILDING IN AND BY THE BOROUGH OF CARTERET, IN THE COUNTY OF MIDDLESEX, NEW JERSEY, APPROPRIATING \$150,000 THEREFOR AND AUTHORIZING THE ISSUANCE OF \$142,500 BONDS OR NOTES OF THE BOROUGH FOR FINANCING PART OF THE COST THEREOF.

BE IT ORDAINED BY THE BOROUGH COUNCIL OF THE BOROUGH OF CARTERET, IN THE COUNTY OF MIDDLESEX, NEW JERSEY (not less than two-thirds of all members thereof affirmatively concurring) AS FOLLOWS:

Section 1. The improvement described in Section 3 of this bond ordinance is hereby authorized as a general improvement to ^{be}undertaken by the Borough of Carteret, New Jersey. For the improvement or purpose described in Section 3, there is hereby appropriated the sum of \$150,000, including the sum of \$7,500 as the down payment required by the Local Bond Law. The down payment is now available by virtue of provision for down payment or for capital improvement purposes in one or more previously adopted budgets.

Section 2. In order to finance the cost of the improvement or purpose not covered by application of the down payment, negotiable bonds are hereby authorized to be issued in the principal amount of \$142,500 pursuant to the Local Bond Law. In anticipation of the issuance of the bonds, negotiable bond anticipation notes are hereby authorized to be issued pursuant to and within the limitations prescribed by the Local Bond Law.

Section 3. (a) The improvement hereby authorized and the purpose for the financing of which the bonds are to be issued is the completion of construction of the Municipal Administration Building heretofore authorized to be constructed by Bond Ordinance Number 77-43, finally adopted December 20, 1977.

(b) The estimated maximum amount of bonds to be issued for the Municipal Administration Building described in Section 3(a) is \$342,500, consisting of \$200,000 heretofore authorized to be issued pursuant to Ordinance Number 77-43, and \$142,500 authorized to be issued pursuant to this bond ordinance.

(c) The estimated cost of the Municipal Administration Building described in Section 3(a) is \$1,199,000, including \$1,049,000 appropriated pursuant to Ordinance Number 77-43, and \$150,000 appropriated by this ordinance.

Section 4. All bond anticipation notes issued hereunder shall mature at such times as may be determined by the chief financial officer; provided that no note shall mature later than one year from its date. The notes shall bear interest at such rate or rates and be in such form as may be determined by the chief financial officer. The chief financial officer shall determine all matters in connection with notes issued pursuant to this ordinance, and the chief financial officer's signature upon the notes shall be conclusive evidence as to all such determinations. All notes issued hereunder may be renewed from time to time subject to the provisions of N.J.S.A. 40A:2-8(a). The chief financial officer is hereby authorized to sell part of or all of the notes from time to time at public

MAY 1, 1979

or private sale and to deliver them to the purchasers thereof upon receipt of payment of the purchase price plus accrued interest from their dates to the date of delivery thereof. The chief financial officer is directed to report in writing to the governing body at the meeting next succeeding the date when any sale or delivery of the notes pursuant to this ordinance is made. Such report must include the amount, the description, the interest rate and the maturity schedule of the notes sold, the price obtained and the name of the purchaser.

Section 5. The capital budget of the Borough of Carteret is hereby amended to conform with the provisions of this ordinance to the extent of an inconsistency herewith.

Section 6. The following additional matters are hereby determined, declared, recited and stated:

(a) The improvement or purpose described in Section 3 of this bond ordinance is not a current expense. It is an improvement or purpose that the Borough may lawfully undertake as a general improvement, and no part of the cost thereof has been or shall be specially assessed on property specially benefited thereby.

(b) The period of usefulness of the improvement or purpose within the limitations of the Local Bond Law, according to the reasonable life thereof computed from the date of the bonds authorized by this bond ordinance, is 30 years.

(c) The Supplemental Debt Statement required by the Local Bond Law has been duly prepared and filed in the office of the Clerk, and a complete executed duplicate thereof has been filed in the office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey. Such statement shows that the gross debt of the Borough as defined in the Local Bond Law is increased by the authorization of the bonds and notes provided in this bond ordinance by \$142,500, and the obligations authorized herein will be within all debt limitations prescribed by that Law.

(d) An aggregate amount not exceeding \$15,000 for items of expense listed in and permitted under N.J.S.A. 40A:2-20 may be included as part of the cost of the purpose or improvement authorized herein and is included in the forgoing estimate thereof.

Section 7. The full faith and credit of the Borough are hereby pledged to the punctual payment of the principal of and interest on the obligations authorized by this bond ordinance. The obligations shall be direct, unlimited obligations of the Borough, and the Borough shall be obligated to levy ad valorem taxes upon all the taxable property within the Borough for the payment of the obligations and interest thereon without limitation of rate or amount.

Section 8. This bond ordinance shall take effect 20 days after the first publication thereof after final adoption, as provided by the Local Bond Law.

MAY 1, 1979

Ordinance #79-5 was introduced and passed upon first reading at a Regular Meeting of the Borough Council held on April 17, 1979. It was duly published in The News Tribune on April 20, 1979, with notice that it will be considered for final passage after public hearing to be held on May 1, 1979, at 8:00 P.M. The ordinance was posted on the Bulletin Board and copies were made available to the general public and according to law, the Clerk read the ordinance by title.

ORDINANCE #79-5

BOND ORDINANCE PROVIDING FOR THE 1979
SEWER IMPROVEMENT PROGRAM OF THE BOROUGH
OF CARTERET, IN THE COUNTY OF MIDDLESEX,
NEW JERSEY, APPROPRIATING \$195,000.00
THEREFOR AND AUTHORIZING THE ISSUANCE OF
\$185,500.00 BONDS OR NOTES OF THE BOROUGH
FOR FINANCING PART OF THE COST THEREOF.

BE IT ORDAINED BY THE BOROUGH COUNCIL OF THE BOROUGH
OF CARTERET, IN THE COUNTY OF MIDDLESEX, NEW JERSEY,
(not less than two-thirds of all members thereof
affirmatively concurring) AS FOLLOWS:

Section 1. The Improvement described in Section 3
of this bond ordinance is hereby authorized as a
general improvement to be undertaken by the Borough
of Carteret, New Jersey. For the improvement or
purpose described in Section 3, there is hereby
appropriated the sum of \$195,000.00, including
the sum of \$9,500.00 as the down payment required
by the Local Bond Law. The down payment is now
available by virtue of provision for down payment
or for capital improvement purposes in one or more
previously adopted budgets.

Section 2. In order to finance the cost of the
improvement or purpose not covered by application of
the down payment, negotiable bonds are hereby
authorized to be issued in the principal amount of
\$185,500.00 pursuant to the Local Bond Law. In
anticipation of the issuance of the bonds, negotiable
bond anticipation notes are hereby authorized to
be issued pursuant to and within the limitations
prescribed by the Local Bond Law.

Section 3. (a) The improvement hereby authorized
and the purpose for the financing of which the bonds
are to be issued is the improvement of the sewer
system of the Borough in accordance with the plans
entitled, "Carteret Sewer Improvement Program - 1979",
prepared by the Borough Consulting Sanitary Engineer
and filed in the office of the Borough Clerk, which
plans are hereby approved.

(b) The estimated maximum amount of bonds or
notes to be issued for the improvement or purpose
is as stated in Section 2 hereof.

(c) The estimated cost of the improvement or
purpose is equal to the amount of the appropriation
herein made therefor.

Section 4. All bond anticipation notes issued
hereunder shall mature at such times as may be determined
by the chief financial officer; provided that no note
shall mature later than one year from its date.
The notes shall bear interest at such rate or rates
and be in such form as may be determined by the
chief financial officer. The chief financial
officer shall determine all matters in connection
with notes issued pursuant to this ordinance, and the
chief financial officer's signature upon the notes
shall be conclusive evidence as to all such determina-
tions. All notes issued hereunder may be renewed from

time to time subject to the provisions of N.J.S.A. 40A:2-8(a). The chief financial officer is hereby authorized to sell part or all of the notes from time to time at public or private sale and to deliver them to the purchasers thereof upon receipt of payment of the purchase price plus accrued interest from their dates to the date of delivery thereof. The chief financial officer is directed to report in writing to the governing body at the meeting next succeeding the date when any sale or delivery of the notes pursuant to this ordinance is made. Such report must include the amount, the description, the interest rate and the maturity schedule of the notes sold, the price obtained and the name of the purchaser.

Section 5. The capital budget of the Borough of Carteret is hereby amended to conform with the provisions of this ordinance to the extent of any inconsistency herewith.

Section 6. The following additional matters are hereby determined, declared, recited and stated:

(a) The improvement or purpose described in Section 3 of this bond ordinance is not a current expense. It is an improvement or purpose that the Borough may lawfully undertake as a general improvement, and no part of the cost thereof has been or shall be specially assessed on property specially benefited thereby.

(b) The period of usefulness of the improvement or purpose within the limitations of the Local Bond Law, according to the reasonable life thereof computed from the date of the bonds authorized by this bond ordinance, is 40 years.

(c) The Supplemental Debt Statement required by the Local Bond Law has been duly prepared and filed in the office of the Clerk, and a complete executed duplicate thereof has been filed in the office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey. Such statement shows that the gross debt of the Borough as defined in the Local Bond Law is increased by the authorization of the bonds and notes provided in this bond ordinance by \$185,500.00, and the obligations authorized herein will be within all debt limitations prescribed by that Law.

(d) An aggregate amount not exceeding \$19,500.00 for items of expense listed in and permitted under N.J.S.A. 40A:2-20 may be included as part of the cost of the purpose or improvement authorized herein and is included in the foregoing estimate thereof.

Section 7. The full faith and credit of the Borough are hereby pledged to the punctual payment of the principal of and interest on the obligations authorized by this bond ordinance. The obligations shall be direct,

MAY 1, 1979

unlimited obligations of the Borough, and the Borough shall be obligated to levy ad valorem taxes upon all the taxable property within the Borough for the payment of the obligations and interest thereon without limitation of rate or amount.

Section 8. This bond ordinance shall take effect 20 days after the first publication thereof after final adoption, as provided by the Local Bond Law.

APPROVED AND ADOPTED: May 1, 1979
INTRODUCED: April 17, 1979
Advertised as adopted on first reading with
Notice of Public Hearing: April 20, 1979
Hearing Held: May 1, 1979

STATEMENT

The bond ordinance published herewith has been finally adopted on May 1, 1979 and the 20 day period of limitations within which a suit, action or proceeding questioning the validity of such ordinance can be commenced, as provided in the Local Bond Law, has begun to run from the date of the first publication of this statement.

PAYMENT
OF BILLS

Upon MMS&C, by Councilmen Umansky and Roth, all bills appearing on the prepared list, properly audited and signed, were ordered to be paid. Upon individual roll call vote, Councilmen Sitarz, Toth, Umansky and Wilson voted in the affirmative for payment. Councilman Sitarz "ABSTAINED" from voting on Sitar's Shop-Rite bills and "YES" on all other bills; One Seat VACANT.

PROCLAMATIONS

Mayor John V. Tomczuk issued the following Proclamations:

Older
Americans
Month

WHEREAS, the month of May is traditionally observed throughout our National as Older Americans Month; and

WHEREAS, it has been so proclaimed by the President of the United States and by the Governor of the State of New Jersey under the theme "Older Americans are a Valuable National Resource," and

WHEREAS, this theme carries a responsibility of continued effort by local government and private agencies to impact the major needs areas by working to provide adequate transportation, decent housing, and income opportunities so that this older population may continue to be utilized as the valuable resource it is,

NOW, THEREFORE, I, JOHN V. TOMCZUK, Mayor, do hereby proclaim May as Older Americans Month in the Borough of Carteret, and do call upon all citizens and all agencies to cooperate so that our respected elders may continue to contribute their experience, expertise and knowledge to the betterment of our community.

MAY 1, 1979

Anti-Litter
Campaign

WHEREAS, the State of New Jersey is rich in heritage, blessed with an abundance of resources and natural beauty, and geographically distinguished as one of the most diverse states in the nation; and

WHEREAS, we take great pride in these earmarks, which makes it essential to exercise our stewardship with care, vision and good will, striving to advance the quality of life in the Garden State; and

WHEREAS, we all have a vested interest in providing effective leadership to keep New Jersey litter-free so that the state's resources and natural beauty will not be spoiled; and

WHEREAS, the Borough of Carteret desires to join the Governor of the State of New Jersey in his new special effort to keep New Jersey clean and to heighten pride in the Garden State;

NOW, THEREFORE, I, JOHN V. TOMCZUK, Mayor of the Borough of Carteret, County of Middlesex, State of New Jersey, do hereby commend THE ANTI-LITTER CAMPAIGN in New Jersey, and urge the citizens and all civic organizations of the Borough of Carteret to dedicate themselves to taking every measure, individually and collectively, to help preserve the splendor of the State of New Jersey, to truly "Help The Garden State Live Up To Its Name".

WHEREAS, the success of any unit of government is measured in direct proportion to its ability to meet the needs of its people;

WHEREAS, it is imperative to our citizenry that municipal government operate in an orderly and efficient manner; and

WHEREAS, the Municipal Clerk serves as the central source of knowledge and records of municipal government, which records must be readily available to municipal departments, community groups, and individual citizens; and

WHEREAS, the Municipal Clerks undertake a variety of administrative, financial, informational and human services which are vital to an effective and responsible government at the local level; and

WHEREAS, Municipal Clerks strive continually to improve administration of their office, consistent with applicable laws and sound management practices, in order to fulfill their responsibilities to the community; and

WHEREAS, Municipal Clerks are dedicating themselves to pursue training and professional education which will expand their knowledge and their awareness of the needs of their local governments and their citizens.

NOW, THEREFORE, I JOHN V. TOMCZUK, Mayor of the Borough of Carteret, do hereby proclaim the week of May 13 through May 19, 1979, as MUNICIPAL CLERK'S WEEK in recognition of the vital services they perform and their outstanding dedication to the communities they represent.

REPORTS
OF COMMITTEES

PUBLIC SAFETY: Councilman Sitarz announced that the corner of Harrison and East Oak Streets will have a four (4) way stop sign for ninety (90) days so motorists can get used to stopping at the intersection. He also reported PROGRESS on the new Police Station.

Installation
of Lights
Authorized

PUBLIC WORKS: Upon MMS&C, by Councilmen Umansky and Wilson, and unanimous affirmative vote of the full membership present, Public Service was authorized to proceed with the installation of the light on Roosevelt Avenue between Grant and Lincoln Avenues and the installation of two lights in the rear and two lights in the front on the dusk-to-dawn service at the Borough Garage.

PARKS AND RECREATION: Councilman Wilson congratulated the Clerk in honor of Municipal Clerk's Week. He stated that Carteret must be one of the dirtiest towns around; that every morning you see paper, beer and wine bottles all over town; that it was a shame that people of Carteret had to put up with this type of individuals and that he hoped this Anti-Litter Campaign for which the Mayor issued a Proclamation tonight, will encourage the people to keep the town clean. The Mayor agreed with Councilman Wilson and stated that an effort will be made to organize a campaign with the hope that it will catch on.

BUILDINGS AND GROUNDS: Councilman Sitarz stated that the law has provided for a new program whereby all employable people receiving welfare will be placed in a workfare program.

SEWAGE: Councilman Sitarz reported that we are getting more water in our sewer system than the pumps can handle. He said it was an urgent and serious condition which needs attention from the Council as soon as possible.

PUBLIC
DISCUSSION

JOHN ABATEMARCO asked what happened to Resolution #79-76 and the Mayor replied that it was withdrawn. Mr. Abatemarco said it was a good thing because someone gave out some bad advice. He said that at the last Council Meeting he asked if Ben-Den got an extension of time to complete his work and was told that the Borough Attorney would look into the matter. He asked the Mayor if the Borough Attorney has the answer and when the Mayor asked Mr. Selesky if he had an answer, Mr. Selesky replied that he did not know that this was referred to him, so did not have the answer, but he would have one at the next Council Meeting. Mr. Abatemarco said said that EDA never received any correspondence nor was there any written approval for an extension of time. He said that everyone received a letter from Sudia about a month ago and this was another bunch of garbage. He said that something legally should be done about the situation. He then proceeded

MAY 1, 1979

to read the following from the contract: 'The work to be performed under this contract shall be commenced on or before November 28, 1977 and completed by November 23, 1978, unless an extension for the completion granted in writing by the Economic Development Administration of the W.S. Department of Commerce, and then the work must be completed on or before the date of the extension granted by said Economic Development Administration. The contractor acknowledges the penalty provisions for failure to complete the work time as set forth in Article 19 of the EDA General Conditions, as contained in Specifications for Police and Public Safety Building, Carteret, New Jersey, Project No. 01-51-22009 Economic Development Administration, as prepared by T.E.A.M. Associates, Inc.' Mr. Abatemarco said he went to the EDA office this morning with a witness and was told that no extension was granted. He said that John Sudia should be brought up on charges and that there was fraud between T.E.A.M. Associates and Photo Engineering, who are supposed to be a minority company, because they were the same....they had the same office, telephone and everything. COUNCILMAN UMANSKY told Mr. Abatemarco that he has been listening to him for a long time and if he had any charges or accusations to make, he should take them to the Prosecutor or the Attorney General. Mr. Abatemarco replied that he was telling him and wanted to know what he was going to do about the situation.

MRS. VERNACHIO, 23 Louis Street, complained about the garbage storage by the Parks Department, which faces her property. COUNCILMAN WILSON replied that he already spoke to Mr. Stark about it and it will be taken care of.

STEPHEN KRISSAK asked from when would the new Borough Attorney be paid and the MAYOR replied from the time he took his seat.

LOUIS MANGIERI asked about Resolution #79-79 and the Mayor replied that the resolution certified the Deputy Municipal Court Clerk. Mr. Mangieri complained about the problem of groups of young people congregating and drinking, every night, by the Star Liquor Store. The MAYOR stated that he will refer the matter to the Police Department.

HECTOR DELGADO complained that there was not enough Police protection in the Chrome area and many strangers hanging around.

MAY 1, 1979

WILLIAM LEACH agreed with Mr. Delgado, noting that he was on the Juvenile Council Committee and familiar with the problem areas. He said that the problem areas are the small shopping center in West Carteret, the bridge under the turnpike and the Chrome area. Mr. Leach stated that Mr. Abatemarco's complaints should be answered and honored; that the Mayor and Council owe this to the town to investigate and pursue matters such as this. The MAYOR stated that he understood an extension was granted, but did not know if it was in writing. Mr. Leach stated that foot patrol was very effective the last time it was put into use. COUNCILMAN SITARZ stated that foot patrol will be instituted and will be rotated between the hill and chrome sections. He said he would have more officers on duty as soon as they are finished with their schooling.

ANDREW KISH asked if the letter he sent to the Mayor and Council was read at the meeting tonight. The MAYOR said it was not, because he came into his office and asked him to check the matter. He did this and answered him. Mr. Kish asked who he contacted for the answer; went on to explain what happened in the matter since 1934 and stated that he has hired another attorney now.

ADJOURNMENT

There being no further business from the Council or public present, the meeting was adjourned upon MMS&C, by Councilmen Wilson and Umansky.

Respectfully submitted,
Anne N. Szelag

RE: Public
Hearing-
Increase
of Rates

NOTICE OF PROPOSED RATE INCREASE AND PUBLIC HEARING

PLEASE TAKE NOTICE that on March 23, 1979, Middlesex Water Company filed a petition with the Board of Public Utilities of the State of New Jersey ("Board") for an increase in its charges for water service and for certain other changes in its tariff.

An initial hearing has been scheduled for Monday, May 21, 1979 in the Division of Alcoholic Beverage Control, Hearing Room #1, Newark, New Jersey, 9 a.m. Hearings will continue, as necessary, on such additional dates as the Board may designate.

An additional public hearing has been scheduled for Thursday, May 24, 1979 in the Main Meeting Room of The Free Public Library of Woodbridge, George Frederick Plaza, St. George Avenue and Route 35, Woodbridge, New Jersey between the hours of 7 p.m. and 10 p.m. and until everyone present has an opportunity to be heard.

The revised rates are proposed to become effective April 30, 1979 for general service and private fire protection and on January 1, 1980 for public fire protection. All rates are subject to the Board of Public Utilities' approval. The proposed rates are designed to provide additional annual revenues of approximately \$1,631,880 or 13.6% in excess of the annual level of revenues for the test year ended December 31, 1978. The proposed tariff provides for increases in the rates for service to all classes of customers as shown on the rate schedules opposite. However, the Board may allocate the rate increase to any class or classes of customers as the Board may determine is just and reasonable.

TO: New Jersey Mayors
RE: Your constituents request your support for New Jersey Bill A.1673 which would permit municipalities to ban trapping. Please press your representatives to the New Jersey Legislature to work for its enactment.

Friends of
Animals, Inc.
RE: Support of
Assembly Bill
1673

Thousands of your constituents have appealed to the State Legislature to ban all trapping of animals. The legislature shows signs of a partial response: the Assembly will shortly vote on A.1293, a bill which places some censorship on a single trap -- the leghold. However, since A.1293 does not make

MAY 15, 1979

possession of this trap illegal, one may be sure that trappers will continue to place leghold traps on their neighbors' lands. This supposition is borne out by data from the New Jersey Game Commission (in the Department of Environmental Conservation) namely that trappers in 1977 set out repeatedly 12,227 leghold traps in the 10 populous counties where their use has been illegal since 1972. Further, the Game Commission makes no effort, nor has it the personnel, to enforce trapping laws.

A.1673 would permit municipalities both to enact and police trapping bans. And such bans are essential to the enjoyment of nature and peace of mind of New Jersey residents. Also, a federal survey has found that homes and buildings in areas where wildlife is present maintain a better value on the market than does real estate in areas where wildlife is extinct.

The personnel of the Game Commission are extremely protective of the state's preemption (which A.1673 erases) for the reason that their salaries are paid by trappers license fees (forced by the federal Pittman-Robertson Act of 1937). They land from overpopulation of species, etc., etc. We shall be pleased to present data from the National Academy of Sciences and others to erase these fears once you and your council are considering enactment of an ordinance banning trapping which A.1673 would allow.

Paramus, Eatontown and other municipalities have already enacted trapping ban ordinances but their constitutionality is subject to challenge. A.1673 would obviate such court challenge.

We should be pleased to report to our members who are your constituents that you will send a request to your New Jersey State representatives to work for A.1673 (copy enclosed).

Solid Waste
Administration
RE: Additional
Tests-
Sanitary
Landfill

According to our records, your landfill is permitted to receive sewage sludge and/or septic tank waste for disposal. As a result, you will now be required under the Rules of the Solid Waste Administration (N.J.A.C. 7:26-2.6.1.3) to submit bacteriological and nitrogen results of waste samples taken from existing landfill monitoring wells. The results are to be included as part of the annual and quarterly reports according to your present schedule.

MAY 15, 1979

The additional specific tests required are:

1. Total coliform bacteria
2. Fecal coliform bacteria
3. Fecal streptococci bacteria
4. Ammonia Nitrogen (NH₃-N) concentration
5. Nitrate Nitrogen (NO₃-N) concentration

If you have any questions, please contact our staff chemist, Mr. Richard Popiel at (609) 984-4081.

RE: Police & Public Safety Building
Carteret, New Jersey
Project No. 01-51-22009

We are writing to you at this time regarding the delay, and the extension requested for the completion of the above captioned project.

We are attaching hereto a letter which we had forwarded to the architect on April 20, 1979. However, along with the reasons cited, we would like to reiterate that in addition to our original contract, you awarded our Company a contract for the completion of the site work, curbing, sidewalks, paving, as well as the sodding of the entire project, and this added to the time required in order to complete the work.

We would like you to note that our July 15th date includes the finishing of the above.

As you are undoubtedly aware, we have a severe icing problem at the intersection of Daniel and Laurel Streets in Port Reading. Subsequent investigations have led us to conclude that the most feasible solution to this problem would be to construct a storm sewer and eliminate the presently existing swales.

ORDINANCE #79-6

BOND ORDINANCE PROVIDING A SUPPLEMENTAL APPROPRIATION FOR THE CONSTRUCTION OF A MUNICIPAL ADMINISTRATION BUILDING IN AND BY THE BOROUGH OF CARTERET, IN THE COUNTY OF MIDDLESEX, NEW JERSEY, APPROPRIATING \$150,000 THEREFOR AND AUTHORIZING THE ISSUANCE OF \$142,500 BONDS OR NOTES OF THE BOROUGH FOR FINANCING PART OF THE COST THEREOF.

BE IT ORDAINED BY THE BOROUGH COUNCIL OF THE BOROUGH OF CARTERET, IN THE COUNTY OF MIDDLESEX, NEW JERSEY (not less than two-thirds of all members thereof affirmatively concurring) AS FOLLOWS:

Section 1. The improvement described in Section 3 of this bond ordinance is hereby authorized as a general improvement to be undertaken by the Borough of Carteret, New Jersey. For the improvement or purpose described in Section 3, there is hereby appropriated the sum of \$150,000, including the sum of \$7,500 as the down payment required by the Local Bond Law. The down payment is now available by virtue of provision for down payment or for capital improvement purposes in one or more previously adopted budgets.

Section 2. In order to finance the cost of the improvement or purpose not covered by application of the down payment, negotiable bonds are hereby authorized to be issued in the principal amount of \$142,500 pursuant to the Local Bond Law. In anticipation of the issuance of the bonds, negotiable bond anticipation notes are hereby authorized to be issued pursuant to and within the limitations prescribed by the Local Bond Law.

Section 3. (a) The improvement hereby authorized and the purpose for the financing of which the bonds are to be issued is the completion of construction of the Municipal Administration Building heretofore authorized to be constructed by Bond Ordinance Number 77-43, finally adopted December 20, 1977.

(b) The estimated maximum amount of bonds to be issued for the Municipal Administration Building described in Section 3(a) is \$342,500, consisting of \$200,000 heretofore authorized to be issued pursuant to Ordinance Number 77-43, and \$142,500 authorized to be issued pursuant to this bond ordinance.

(c) The estimated cost of the Municipal Administration Building described in Section 3(a) is \$1,199,000, including \$1,049,000 appropriated pursuant to Ordinance Number 77-43, and \$150,000 appropriated by this ordinance.

Section 4. All bond anticipation notes issued hereunder shall mature at such times as may be determined by the chief financial officer; provided that no note shall mature later than one year from its date. The notes shall bear interest at such rate or rates and be in such form as may be determined by the chief financial officer. The chief financial officer shall determine all matters in connection with notes issued pursuant to this ordinance, and the chief financial officer's signature upon the notes shall be conclusive evidence as to all such determinations. All notes issued hereunder may be renewed from time to time subject to the provisions of N.J.S.A. 40A:2-8(a). The chief financial officer is hereby authorized to sell part or all of the notes from time to time at public or private sale and to deliver them to the purchasers thereof upon receipt of payment of the purchase price plus accrued interest from their dates to the date of delivery thereof. The chief financial officer is directed to report in writing to the governing body at the meeting next succeeding the date when any sale or delivery of the notes pursuant to this ordinance is made. Such report must include the amount, the description, the interest rate and the maturity schedule of the notes sold, the price obtained and the name of the purchaser.

Section 5. The capital budget of the Borough of Carteret is hereby amended to conform with the provisions of this ordinance to the extent of any inconsistency herewith.

Section 6. The following additional matters are hereby determined, declared, recited and stated:

- (a) The improvement or purpose described in Section 3 of this bond ordinance is not a current expense. It is an improvement or purpose that the Borough may lawfully undertake as a general improvement, and no part of the cost thereof has been or shall be specially assessed on property specially benefited thereby.
- (b) The period of usefulness of the improvement or purpose within the limitations of the Local Bond Law, according to the reasonable life thereof computed from the date of the bonds authorized by this bond ordinance, is 30 years.
- (c) The Supplemental Debt Statement required by the Local Bond Law has been duly prepared and filed in the office of the Clerk, and a complete executed duplicate thereof has been filed in the office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey. Such statement shows that the gross debt of the Borough as defined in the Local Bond Law is increased by the authorization of the bonds and notes provided in this bond ordinance by \$142,500, and the obligations authorized herein will be within all debt limitations prescribed by that Law.
